

POLL EVIL.

Bring the swelling to a head as any other tumour by the suppurating poultice, which is made as follows :

SUPPURATING POULTICE.

Take four handfuls of bran and three middling sized turnips, boil them till soft, beat them well together ; then boil them again in milk to a thick poultice, adding to it 2 ounces of linseed and half a pound of hogs' lard.

QUITTOR.

Make an opening for the matter to descend from all the neighbouring sinuses. Keep the parts well cleaned with warm soap-suds, then inject the vulnerary water into the sinuses. If there is a core touch it with caustic, when this is discharged dress with the green ointment.

RING BONE.

If recent, blister the part, if an old affection, recourse must be had to firing.
