* A drawback of 10 per cent to be allowed to the shipper of any quantity of Plaster over and above 1000 Tons, in any one Season.

The Canal is to be divided into three Sections, which shall govern and regulate the rate of charge for Tollage, viz:—

- SECTION No. 1.—From Halifax Harbour into Lake Charles.....one third.
 - SECTION No. 2.—From Halifax Harbor into Fletcher's Lake.....two thirds.
 - SECTION No. 3.—From Halifax Harbor to the termination of the company's works..whole charge.
- And vice versa from Basin of Minas to Halifax Harbor.
- SECTION No. 1, to Fletcher's Lake.
 - " " 2, to Lake Charles.
 - " " 3, to Halifax Harbor.

Charge for passing through a draw or Lift Bridge, or a single Lock—one sixth of the whole.

Persons in charge of Boats and Rafts to hand to the Superintendent a memorandum of contents of cargo; also, contents of rafts of timber and logs. Every facility will now be given to persons using the Locks and Inclined Planes, so as to prevent unnecessary delay, and all information given to those using the Company's Works.

By order of the President and Directors,
G. A. S. ORIGHTON,
Manager.
