DENTALS IMPROVE ALL DOWN THE LINE

Show Good Team Play When
They Down St. Patricks
Handily.

Dentals, Allan Cup holders, are near the form they won them the amateur championship of Canada. The hockey-clad Dents were in rare form last night when they downed the St. Patricks 9 to 4 as a senior O.H.A. fixture at the Arena. The champions showed a neat combination that will get goals for any club, and never let up on the checking.

That a unit was in condition, the Dents looked like a team. The forwards, a sturdy argument to defend the honors. That a unit was in condition, the Dents looked like a team. The forwards, a sturdy argument to defend the honors. That a unit was in condition, the Dents looked like a team. The forwards, a sturdy argument to defend the honors.

The champions have improved their system of attack. They went in close, passed pretty well and a man at the goal mouth to bat it in. They wheeled nicely into line to help the puck-carrier and had all the earmarks of a high-class team. Jimmy Stewart made his first appearance of the year and is still the same good back-checker and pucks the hard shot. Millan is much better than a year ago and a dangerous man in close to the net. The Dents rubbed strongly and was a hard man to stop. Box opened up several times and Smylie improves with each game. Dr. Laflamme had a whirl at left wing and made a very creditable job of it. He was a boomer to the Saints with his poke check and played a useful game while his wind lasted.

A word for the Saints. They showed improvement over Saturday's performance against the Crescents. The forwards got in closer to the net and should have had more goals. The goddess of luck hardly favored them. It must also be remembered that they were up against the real thing in Stewart in the Dental net. Charlie turned aside many dangerous shots. Crooks played a marvelous game in the Irish net.

Lattie Hughes Fox made a hit with the crowd. His rushes were always dangerous and he kept right at it throughout the game. Adams blocked well and rushed several times. Babey, the former Queen's player, subbed on the forward line. He is shy on condition, but will be a handy man to have around. Quinn showed a much better article. He worked in close and had several good shots.

The systematic attack of the Dents and their back-checking won the game. It was better than the score would indicate, owing to the fact that the Saints kept playing right to the final bell. The Dents' long side job of the fact that they never gave the Irish a minute's rest. As soon as a man lost the puck two more shield-clad players were right on the trail of the St. Patrick carrier and checked him right to the other end.

The Dents were the best in the opening period. They checked from the start and collected the three goals scored in the opening period. Millan worked like a beaver in centre ice and Laflamme and Smylie checked like fiends. The Dents' long side job of the fact that they never gave the Irish a minute's rest. As soon as a man lost the puck two more shield-clad players were right on the trail of the St. Patrick carrier and checked him right to the other end.

The second was better to look at. Each club gathered two goals and the Irish brigade had a lot of hard luck with their shots. The Dents again showed the best at team play, but one-man rushes by Fox and Adams made the Irish dangerous.

The Dents had a good margin in the closing period. They scored four goals and the Saints collected two. Bill Box treated the crowd to some clever rushes, but the Irish defence started him off. Millan and Smylie checked like fiends. St. Patricks could not get a system to stop the three-man combination and the champions outplayed the Irish. It ended 9 to 4 for the Dents, and they easily earned the verbal praise of the crowd.

If anything the Dents are just a trifle better than a year ago. Millan and Smylie are stronger and all the others are up to the form displayed when they won the amateur title of Canada.

FINALS TO GRANITE AND LAKEVIEW RINKS

City Clubs Curl Down in the
Ontario Tankard
Primaries.

The clubs of the city groups curled down in the Ontario Tankard competition on Kew ice at Queen City and Lakeview rinks yesterday, the result being that the Granites and Lakeview are left to represent Nos. 4 and 5. Richmond Hill had been included to take the place of Parkdale in No. 4, but was snowbound and had to default to Lakeview.

The games were all close and generally decided on the last end. In every one of the five games it was a case of the skip with the biggest score pulling out his club rink. In the case of the Granites, the only team to win two games yesterday, the Rennie quartet was out in the morning, while the latter came to the rescue in the afternoon. Both games had interesting finishes and somewhat similar. The Rennie quartet was twice tied. Beatty picked up a nice three in the 18th against the good sportsmen from East Toronto, while in the afternoon he counted a two, both winning margins being five and three.

The final at Queen City had a close finish, because Lillie picked up a three and a five in the 18th and 17th. Scores:—At Queen City:
