

Art Association of Montreal.

ANNUAL REPORT, 1900.

INTRODUCTION.

In presenting the report for the year ending May 31st, 1900, the Council has to congratulate the members on the satisfactory position of the Association, both with regard to the membership and the finances.

The revenue derived from the higher annual subscriptions has enabled the Finance Committee to meet the following increased expenses :—

In accordance with recent amendments to the City Charter the exemption hitherto enjoyed by the Association as an Educational Institution has been withdrawn and a taxation of \$437.50 exacted.

The building has been put in thorough repair and the Galleries have been renovated and re-decorated.

A satisfactory cash balance has nevertheless been carried forward, as shown in the Treasurer's accounts which may be found on pages 11-15.
