TWO BLAST FURNACES FINISHED. FRANCE WILL MAKE NO MOVE

Making of Pig Iron Will Very Soon | As Regards Intervention in the Case Steel Rails.

Moxham, general manager of the Domin- Foreign Minister Deleasse yesterday, Mr. ion Iron & Steel Co., of Sydney, was here Kruger learned that France will not take Chinese flag, as she had on board a cargo of telegraph material, which, it was alleged, was intended for the Chinese. Field Marshal Count Von Waldersee, the despatch adds, was notified and immediately rescinded the order.

Will Demolish the Wall.

A despatch received here from Tientsin, dated Monday, November 26, says:

"The provisional administration here, in which Germany, the United States, Russia, Great Britain, France and Japan are represented, decided to-day unanimously to the contract of the total 400 coke overs which the company will have started to-day. He says that of the total 400 coke overs which the company will have started by April, fully 100 have been completed, and the making of coke has been already begun. Two of the four blast furnaces are also ready, and the vice-president deciared also ready, and the vice-president deciared to turn out a safe daily product the blast furnaces will be started. They will, therefore, be making pig 'Iron very soon, and does undertake to protect foreigners.

"Russia, he asserts, has no intention of a steel Co., of Sydney, was determined to day of the total 400 coke overs which the company will have start to-day. He says that of the total 400 coke overs which the company will have start to-day. He says that of the total 400 coke overs which the company will have start to-day. He says that of the total 400 coke overs which the company will not discourage any other country from so doing, and might join in such that the making of coke has been already begun. Two of the four blast furnaces are also ready, and the vice-president deciared begun. Two of the four blast furnaces are also ready, and the vice-president deciared begun. Two of the four blast furnaces are also ready, and the vice-president deciared begun. Two of the four blast furnaces are also ready, and the vice-president deciared by a to-day. He says that of the total 400 coke the initiative in intervention in South Af-

dees undertake to protect foreigners.

"Russia, he asserts, has no intention of acity of 300 tons. The steel plant, he addanted a conversation with Mr. Kruger yesterday, and the mannexing Manchuria, altho she will have ed, will be ready by next August, and the and that the Boer statesman grew excited ed, will be ready by next August, and the and that the Boer statesman grew excited and the state of the four furnaces has a daily cap ent of the four furnaces has a daily cap. to have more Cossacks there in order to maintain a dominating influence. He is convinced that, even if others make war on China, Russia will not."
