The honorary treasurer of the South African Graves Fund, Mrs. Albert E. Gooderham, states that the fund now amounts to \$1840.89. Among the enthusiastic supporters of this good cause is Master Charlie Heather of Mimico, who, after school hours, succeeded in collecting \$20 from the residents of Mimico. The fund is being steadily augmented by individual subscriptions and collections made by the different chapters of the Empire, The following subscriptions have recently been received: Previously acknowledged \$215.89; collected by Victoria and the sum of \$575,624 for the first four months of \$23,312 over the same month of last year. For the first four months of \$1,667,114 were issued, being \$405,447 in excess of the amount for the same period in 1901. There were no permits taken out yesterday. Threatened strikes and the very high cost of building materials and supplies have had a disastrous of feet on building operations. If no labor troubles had been impending there would in all probability have been at least a million dollars in permits taken out for April.

On Monday, April 28, the boiler of the Hodd & Cullen Milling Co., Limited, of Stratford, exploded. The loss was covered by policy No. 8020, in the Boiler Inspection and Insurance Co. of Toronto, and within thirty hours afterwards the insurance company handed a cheque for \$2000 to the Hodd & Cullen Milliag Co., Limited, in full payment of their loss. This fact speaks volumes for the promptitude with which the Boiler Inspection Co. settle their claims and is highly commended.

A Clear, Healthy Skin.—Eruptions of the skin and the blotches which blemish beauty are the result of inpure blood, caused by unhealthy action of the Liver and Kidneys. In correcting this unhealthy action and restoring the organs to their normal condition, Parmelee's Vegetable Pills will at the same time cleanse the blood, and the blotches and eruptions will disappear without leaving any trace.
