# 1200 RUSSIANS MOWN DOWN BY JAPANESE CANNON LAURIER HALTED FISHER

Japs Surprise a Force of 8000, With Their Artillery In Ambush.

**ENEMY ESCAPE TO TRENCHES** 

Liaoyang, June 22.-The Japanese army base at Siuyen is evidently strongly established along a line from Kaichau to Yentai.

Rumors of a battle northeast of Kaichau are evidently correct. The Japanese this week advanced to a point 16 miles east of Kalchau, but

It is presumed that General Oku is now advancing to the north by the way of Fuchau and the coast road, thus enabling him to obtain provisions from

Spectators at the battle of Vafangtien claim to have seen on one occasion three horsement appear on a hill, one of whom, according to a Russian officer, resembling either a British or American attache, fell from his horse when the Russians fired and was evidently killed.

Pursued for 12 Hours.

actly resembled the battle of Stone River, near Murfreesboro, Tenn., in 1862, during the American civil war. The Russians abandoned their guns and the Japanese pursued them for twelve hours, bivouacking at nightfall in the position held by the Russians on the preceding day.

After placing outposts the main body of the Japanese then retired towards of obtaining a fresh supply of munitions, which had been exhausted during the battle.

From a reliable source it is reported that the Japanese in the vicinity of Port Arthur are now entirely inactive and that the Russians are not concern ed regarding the situation there, that in the north being now the most im- Witness at Inquest Declares He portant factor. # TRAVELERS MUST HAVE A

Twenty Cases of Smallpox in Temiskaming, Tho the Local Doctors Refuse to Believe It.

The board of health inspector who went to Haileybury on the report of smallpox in the Temiskaming district has informed Dr. Hodgetts that there

are twenty cases in New Liskeard. The local authorities are putting up a ospital and place of detention for suspected cases, and the provincial board has forwarded a tent and blankets for the unorganized districts. The Lumsden Steamship Company are doing all they can to assist the authorities. Anyone going to the district should take the precaution of being vaccinated, as a certificate of vaccination is required from those wishing to travel in the district, and this is called for on the

boat at Temiskaming. Dr. Hodgetts states that the local medical opposition still continues, the doctors claiming that the disease is mpetigo.

"It has been there for several onths." said he, "and I am satisfied that the widely extended character of the outbreak is due to the fact that the doctors were wrong in their diag-
