It Made Me a Well Woman

Dear Mrs. Pinkham: -- Lydia E. Pinkham's Vegetable Compound has done more for me than doctors or medicines. I suffered for four months with suppression of monthly periods. Headaches were a daily occurrence. Pains in my back and limbs made it hard for me to attend to my domestic duties.

The medicines I had taken did not help me, and I was in misery and despair until one day I read an account of your Vegetable Compound, and decided to try it, and I thank God that I did so, for it not only regulated my monthly periods, but made me a well woman.
