# C.O.O.F. DECIDE NOT

Officers Elected at Grand Ledge Meeting at Hamilton-Mayor Will Not Enforce Bylaw.

HAMILTON, June 22 .- (Special.)-At a meeting of the special committee of the city council this afternoon was decided to ask the mayor not to enforce the bylaw prohibiting the Radial and H., G. and B. Railways from bringing fruit from Burlington to Wagstaffe's factory on Trolley-street during the berry season. The Main-street residents have consented to raise no objections this year, but the company will be ordered to make other arrangements for next year. Two frame houses, 29 and 31 Wood-street, were damaged by fire this evening to the extent of about \$500. The two day session of the Grand The two day session of the Grand Lodge, C.O.O.F., was concluded this evening. The following officers were elected: Dr. Adam Thompson, Galt, grand master; C. H. Denton, Tillson-burg, deputy grand master; Robert Fleming, Toronto, secretary; W. H. Shaw. Toronto, grand secretary; Dr H. S. Bingham, Hamilton, grand medical referee; Rev. J. Lindsay, Kentore, grand chaplain; John Canning, Belleille, and F. Goodwin, Hamilton, grand lodge representatives; G. H. Bampfylde, Robert Newell and C. A. Lewis,

The grand lodge adopted C. A. Lipp's report, recommending that work be continued in a new district in the northwest, to be known as the prairie district. The insurance department reported that the assets have increasfrom 30.3 to 34.8 per thousand while last year's death rate was only i per cent. The proposal to hold biannual sessions of the grand lodge, ir stead of annual sessions, was voted down, while proposals to make insurance optional, and the question of endowment policies still in force, were

The Straight Wall type of Automobile Tire is not a new thing. It was featured by the Dunlop Tire Company in 1905, and the prediction was then made that it would be the tire of the future.

This Straight Wall tire is also variously called the "Non-Clinch," "Straight Side," "Straight Bead," or "Universal Quick Detachable Tire." As the

name Straight Wall implies this Tire has no toe extensions—is not made like the solid clincher or clincher detachable tire—has no projecting ends

The Straight Wall tire cannot become cemented to the rim. It is a
