COUNTY AND SUBURBAN HIGH SCHOOL PUPILS LACK SKATING RINK OVERCROWDING AT COLLEGIATE SCHOOL

**Ratepayers' Association Will
Take Matter Up With
Education Board.**

NORTH TORONTO

The pupils of the North Toronto High School are expressing keen disappointment owing to the lack of a skating rink this winter. It appears that the matter was discussed some time ago and Dr. Quirk, the physical instructor, expressed himself as being in favor of a rink being established here. But Principal G. H. Reed was opposed to it as he maintained it would interfere with the night school. This will mean that North Toronto will be the only high school in Toronto without a rink, and the North Toronto Ratepayers' Association is taking hold of the matter and will communicate with Dr. Noble, chairman of the board of education, to see what can be done.

The terrible conditions existing at Farnham avenue, at the terminus of the Metropolitan line, these days is calling forth a deal of comment among those unfortunate who have to use this line. No attempt has been made by the city to clear away the thick coating of mud at this point and in consequence it lays thick nearly to the boot tops. The sidewalk is in the same condition and it is absolutely impossible to cross the road at this junction. If the city would get a couple of men here a great improvement could be effected, and the weary citizens are of the opinion that this would not be asking too much.

Last night the newly-formed Men's Club, in connection with St. Leonard's Church, Bedford Park, held a social evening, presided over by H. C. Savage, the president. Eucher and music was indulged in, the following artists contributing to the musical program: Morris Rapkin, Mr. Payne, H. C. Savage and Mr. White. A short business session was held when the question of obtaining a hall for the use of the club was discussed, but no conclusion was arrived at.

Northview Lodge, No. 402, I.O.O.F., held a big night last evening in the Farnham Hall, presided over by Len. Hoyle, N.G. Members from Newmarket, Aurora, Richmond Hill and Thornhill were present as the guests of the lodge, and a fraternal visit was paid by Riverdale Lodge who conferred the first degree on ten candidates. During the evening seven new members were initiated to the order. After the regular routine business, the following officers were elected for the ensuing term: G. Newman, N.G.; recording secretary, A. Trower; financial secretary, E. Brooke; and treasurer, W. J. Thompson. There were over 300 present and during the evening P.G.M. Cox and Parks addressed the meeting on the welfare of the order.

Under the auspices of the mission club of the Epistone Methodist Church a successful bazaar was held in the schoolroom yesterday afternoon and evening. The bazaar was in charge of Mrs. MacFarlane, superintendent, and Mrs. Withrow, president. The room was prettily decorated and there were over a dozen booths, the principal ones being in charge of the following ladies: Home made bread, Gertrude Sims; dolls, Margaret Dow; fancy work, Miss Proctor, assisted by Miss Johnston; clothing, Mrs. Duthrie; candy, Florence Withrow. The tea room was in charge of Mrs. Freckle. The bazaar was well patronized, and the proceeds, which were in aid of the missionary work, realized about \$200.

C. Mitchell, district commissioner, visited the 54th troop Boy Scouts last evening and after presenting a number of efficiency badges, inspected the troop and congratulated them on their good standing in the district. The following officers were present: Scoutmaster Sim, assistant scoutmaster Soriel and assistant scoutmaster R. Purcell, D.C.M. and Croix de Guerre. The troop presented a very smart appearance with its band and colors.

A social evening was spent last night at the rectory of St. Clement's Anglican Church, when Rev. Canon Fowler entertained a number of guests from the parish. Among those present were Mr. Powell, Major Forsey Page, J. W. Bradshaw, Mr. Dow, A. Lawson and Mr. Darby.

The girls' club of the Eglington Presbyterian Church met last night in the school room, presided over by Miss Margaret Keith, president. An interesting address was given by Mr. H. Keith and musical selections were rendered by Margaret Keith, Miss Olive Fenwick and Miss Marion Keith.

A select euchre party was given last night at the home of James Pears, sen., at his home on West Eglington avenue, under the auspices of the Christian Mothers' Association of St. Monica's Church. Twenty-four tables were in use and a pleasant time was spent.

**Conditions Would Not Be
Tolerated in a Factory,
Official Says.**

DANFORTH

In connection with the overcrowded state of Riverdale Collegiate Institute, F. W. Lewis, assistant secretary Riverdale Business Men's Association, stated "to the World" yesterday that similar conditions would not be tolerated in a factory and should receive the immediate attention of the medical health department. The male and female teachers' retiring rooms are makeshift affairs perched off at the ends of one corridor. Lewis points out, and are anything but sanitary. All class rooms in the building are much overcrowded and a clothes closet without ventilation is used as an additional class room. In many rooms the students are seated on the front desks, using their knees for a writing table.

During the recent work of leveling the ground at the eastern approach to the Bloor street viaduct by the civic authorities the old cannon trophy of a bygone war, lying neglected in the mud, giving rest to the impression, as stated by a prominent business man, that the apparent purpose was to obliterate all traces of the war relic.

In conversation with Ald. F. M. Johnson, ward one, and member of the parks committee, The World was informed that this is not the intention of the department. "Park commissioners are intended to place the cannon on the brow overlooking the valley in the early spring suitably marked by a stone base," said the alderman. "The reason of the delay," he stated, "was the uncertainty of the site for the isolation hospital at this point, which has now been abandoned. F. W. Lewis has been active in calling the attention of the parks commissioner for some time past to the matter."

St. Joseph's Literary Society held a well-attended meeting in St. Joseph's Club rooms, Curzon street, last evening. When social service work was discussed. Miss Mamie Young read an interesting paper on "A Dependent Family," and Mrs. O'Connor gave a short talk on "Social Service." Miss Mary Foster rendered several solos and a dance was cleverly executed by a little boy and girl. Miss Jessie Coffey, president, occupied the chair.

A traffic officer is now stationed at the corner of Logan and Danforth avenues to take care of the kindergarten children crossing the road at this point from Frankland School at 11:30 a.m. daily. The order was put into force by the police commissioner in consequence of the recent fatality when a boy was killed while crossing the road after school.

A service in commemoration of the Bolton Avenue School old boys who fell in the great war will take place this afternoon in the school. Major Blaney, former principal, will unveil the handsome brass in consequence of the recent fatality when a boy was killed while crossing the road after school. W. W. Noble, principal, will preside.

The tablet is at present unscrubbed with the names of the fallen heroes, owing to the difficulty of the committee in securing it completely and being the oldest established in the east end, the number of former pupils who enlisted is large.

John Pearson, Langley avenue, a well-known resident of the Riverdale district, and J. Barnett, Danforth avenue, will be candidates for aldermanic honors at the next election.

The second of the series of anniversary concerts under the auspices of Danforth Avenue Methodist Sunday School was held last night in the auditorium and was voted a huge success. The talent was furnished by the pupils and refreshments were served by the ladies of the church. Rev. John J. Roulier, pastor, presided, and the attendance was very large.

**EAST TORONTO PEOPLE
COMPLAIN OF SMOKE**

Use of Consumers for Fumes Is Recommended by Property Commissioner.

The use of smoke-consuming has been recommended to the residents of the property commissioner in connection with the numerous complaints of citizens in the east end, who are protesting against excessive smoke from the neighboring factory chimneys. The six-minute limit for firing furnaces ordered in the by-law, it is claimed, is repeatedly violated, to the inconvenience of the residents.

Nothing has been done to relieve the disagreeable condition of the roadway to the entrance of Little York Grand Trunk railway yards, and merchants and others are loud in their complaints. During the past two weeks loaded lorries and wagons were stuck to the hubs in the mud and had to negotiate the mud surface with the greatest difficulties, and with the loss of time. The repairs to the roadway have been completed, and the enlarged structure accommodates twenty large locomotives.

Upwards of 200 young people were present at St. Barnabas' Church, Chester, when an interesting inter-church debate took place between St. Barnabas' A. Y. P. A. and St. Aidan's A. Y. P. A. The subject was "Resolved: That moving pictures as now conducted are a benefit to civilization." Card occupied the chair and Messrs. Edmunds, McCracken and Brice acted as judges. The affirmative was taken by Miss Jones, H. Ashdown and B. Lindsay, St. Barnabas, and the negative by Miss Taylor, M. Maw and Miss Tew, St. Aidan's. The decision followed in the negative. Dancing followed by refreshments concluded a very pleasant evening.

**FAIRBANK RATEPAYERS'
SUCCESSFUL CONCERT**

A financial report on the recent concert was given last night at an executive meeting of the Fairbank Central Ratepayers' Association, held at the home of the president, Geo. Aulton, Eglinton avenue. The affair proved a complete success and the proceeds will be devoted to the funds of the association. It was decided to hold the annual election of officers for the ensuing year at the next general meeting on Dec. 8. The chair was occupied by W. Robbins.

NORWAY CHURCH BAZAAR.
Active preparations are now under way by the parish association under the supervision of Mr. George Gilmore, president, for the bazaar in aid of St. John's Anglican Church, Norway, which will be opened in the parish house on Dec. 2 by Mayor T. L. Church.

**NEW TORONTO SELECTS
TOWN TREASURER**

War Veteran Secures Position—Also Has Good University Record.

The appointment of A. F. Ritchie of Toronto to the town treasurer position has been received with quiet approval by the citizens generally, although there are some who consider that one or other of the local applicants should have had the position. The newly-appointed treasurer is a veteran of the great war in which he served close on four years with the Varsity unit. He is a second year Arts man of the University of Toronto and after his return from France he acted for some time as assistant postmaster with the department of soldiers' civil re-establishment. It is the confident opinion of Councilors Revley and Hennessey, who moved and seconded, respectively, the appointment of Mr. Ritchie, that he is possessed of all the gifts to prove a worthy successor to the late treasurer, G. D. Scott.

The storm, which raged on the lake early in the week, did considerable damage along the whole of the Lake Shore drive district. Great quantities of huge stones were thrown up by the waves and a number of small breakwaters were demolished.

Work on the building of the Community Hall, which is being erected in honor of the local lads who enlisted in the great war, is making good progress, and the committee in charge hope to be able soon to announce the date of opening.

More than usual interest is being evinced this year in the coming elections, one cause being that there are more vacancies to be filled than ever before. There is much conjecture as to who will be elected to fill these positions, but it seems to be pretty generally conceded that Mayor Lovejoy will again be returned to the chief seat.

With the new Dominion Bank, corner of Ninth street and Lake Shore road, now open for business, and the Merchants' Bank almost completed, as are also a number of stores now in course of construction between Sixth and Seventh streets, this section of the highway will be the busiest hub of industry on the Lake Shore stretch.

EARLSCOURT NEWS

Under the auspices of the ladies' aid of Earlscourt Methodist Church, a well-attended social was given last night at the home of Rev. E. C. and Mrs. Hunter, 129 Westmount avenue, who provided an excellent program of music and games, during which a miscellaneous show was held in aid of the coming bazaar. Mrs. B. Sykes, president, occupied the chair, and a most enjoyable time was spent by the members and their friends.

Sons of Scotland, Wingfield Camp, held a well-attended meeting last night at Creber's Hall, during which the routine of business was transacted, with J. Steele in the chair. A social and dance for the members and friends closed a successful evening, during which local talent contributed to the entertainment.

Miss Lydia Mau delivered an interesting reading on "Service" at the Earlscourt Methodist Church last night to the members of the Bluebird Club, of which Miss V. Manuel is superintendent. There was a large attendance and Miss G. Elwell presided.

At the home of Mrs. A. Charles, 60 Ascot avenue, the entertainment committee of the G.A.U.V. held an important meeting last night, when final arrangements were made for their first euchre and dance to be held next week at Belmont Hall. The proceeds will be devoted to the distress fund, for which a series of entertainments have been planned. The presiding officer was Mrs. M. Babbington, president of the ladies' auxiliary of the G.A.U.V.

Under the auspices of the senior Christian Endeavor of St. David's Presbyterian Church, a successful concert was given in the church hall last night with S. Thompson in the chair. A short address was delivered by Rev. C. A. Mustard, minister, on the work and aims of the endeavor. The members of the East Queen Presbyterian Christian Endeavor took part in a clever sketch "The Mock Trial" and other talented artists included Mrs. McNaughton, elocutionist; Alex. Christie, comedian; Mrs. Gregg, soprano soloist; G. Donaldson, baritone soloist; and C. Salmon.

Violinists. H. McLean was the accompanist. There was a large attendance.

The entertainment committee of the Kenwood rugby team held a meeting last night at the home of one of the members, when final arrangements in connection with their benefit dance, to be held in Kenwood Hall tonight, were made. The proceeds will be devoted to defray expenses for one of the players, who was seriously injured a short time ago while taking active part in a game.

Quite drastic are the measures being taken to cut down on the domestic electric load in Mimico. Each household is to be notified of the amount of power he is entitled to and if this amount is exceeded a sealed fuse box containing 18 amp. plugs will be installed, which will have the result that an overload will blow out the fuses and leave the house in darkness until the Hydro company replaces them.
