REPORT OF THE LANCASTER BRANCH BIBLE SOCIETY FOR THE YEAR 1863.

Your Committee, in tendering up their office, have nothing very special to report. The year past has been one of the usual routine, and we are happy to say the interest of the people in the noble cause is no way abated. Though all are not alive to duty, we have many in this locality who have deep sympathy with the multitude of the poor of the world famishing for the bread of life. The ladies appointed to collect through the several neighbourhoods have done their duty well, with one or two exceptions, as will be seen from the following statements:

By Misses M. McNicol and B. McLachlin.....	\$13 40	Collection at the Annual Meet- ing.....	2 51
By Mrs. D. Cameron and Miss Anne McBain.....	5 32		\$34 7
By Misses C. Sutherland and Anne McPherson.....	8 00	Less expenses.....	57
By Misses C. Young and Mary McPherson.....	3 9	Remitted the M. A. B. S. as a free contribution.....	\$33 50
By Misses M. Grant and Ellen McVichie.....	1 75
