The Secretary of the Women's Aid Association Branch at St. James' Church, Ludlow, has much pleasure in being able to state that at a sale of work held by the members last summer, sufficient funds were raised to insure the Church for three years, to procure matting for the floor, and to purchase material for repainting the outside of the building.

By untiring efforts the Branch at Carroll's Crossing (or Lower Ludlow) have at last succeeded in getting the roof of their Mission House shingled, and also in procuring clapboards for the walls.

The Rectory has been insured for three years, and \$25 has been added to the Parish Endowment.

The St. John Girls' Branch has fifty-eight members. In June, 1890, \$25 was remitted to the Bishop Coadjutor for the maintenance of the work at Ludlow, and in December a similar amount, completing the annual donation for that object. In March, 1891, \$25 was sent to the Bishop Coadjutor, being part of the annual grant to Ludlow for this year. Boxes of suitable articles were sent to Prince William and Storeytown for the Children's Christmas Trees.
