BOWLING

Smith Takes Lead

On the Victoria alleys on Tuesday night teams competed in the Two-Men League. The management has donated a prize for the bowler making the highest string average during the next three games. Jordan was leading, but Smith with three good strings of 91, 100, 108, jumped into the lead last night. The scores made during these games are very creditable. Following is the summary:

R. Hutchinson	84	92	92	268-891
J. Colgan	81	84	87	252-84
Jordan	188	178	179	545
Hunter	88	88	77	253-252
Chisholm	188	164	148	500
Kane	89	86	86	261-84
D. Colgan	175	173	180	528
Smith	89	73	92	254-82
	91	100	108	299-998
	173	172	200	545

In the daily competition much interest is being displayed. Many high scores are being made and in some cases a roll-off is required to determine the winner. The result of last week's contest was as follows:

Tuesday, Morrissey, 128.
Wednesday, Howard, 126.
Thursday, Thurston, 151.
Friday, Garnett, 128.
Saturday, Garnett, 122.
Monday, Needham, 120.
Tuesday, Covey, 122.

Sweeps Take Three

The Sweeps took three points from the Specials in last night's city league match. The scoring follows:

Tonight: Wanderers vs. Nationals.

BASEBALL

N. S. Horsemen Get Four

W. McManus, Truro, purchased four horses at the recent Old Garry Sale and the New Glasgow Chronicle, in referring to them, gives the following particulars:

Spingarn, trial 2.81, bay mare (4), trotter, by Bingara, dam Garnish, 2.18%, dam of La Copia, 2.08%. Price \$200. Spingarn is a half sister to the good race horse La Copia, 2.08%, owned by J. Belliveau, Moncton. Her former owner says she should trot in 2.15 with proper training.
Orawaupum, bay colt, one year old, bred by Peter Porter, 2.18%, son of "The Great," 2.07%, dam Little Town, 2.28% (dam of 1.11) by Baron Vilkes, 2.18. Price \$260. Orawaupum is a richly bred colt and his pedigree possesses several of the greatest blood ares in trotting history.
Helen Constantine, 2.15%, trial 2.11, wagon trotter, bay mare, 8 years old, bred by Constantine, 2.12% (sire of 87 a list), dam Norka, 2.80, by Anteeo, 10%, price \$250. This mare has been used in harness at Goshen, winning her last race in 1915 in 2.14%, 2.14% and 2.14%. She is said to be a constant race and was driven by an amateur in Syracuse this year in 2.12%. Mr. McManus should be able to give her boys more than a chase with Helen Constantine.
Eva Worthy, bay mare, 16 years old, bred by the great sire, Axworthy, 15%, dam Evonia, 2.29% (dam of 9) by Jerome Eddy, 2.16%, price \$235. Eva Worthy is the dam of Eva Cord, 2.08%, and is with foal to Great Guy (8), 2.23 son of Guy Axworthy (4), 3.06%, and ady Calita, 2.15%, by Peter the Great.

Rugger After Futz

New York, Dec. 11.—Col. Jacob Rupert, part owner of the Yankees, played

IRRITATING RASH ON BABY'S CHEEKS Healed by Cuticura Trial Free

"When my baby was five months old a slight rash appeared on his arms, face and head. After a certain time the rash disappeared from his arms and head, but remained on his cheeks. He would tear them, sometimes causing them to bleed. The trouble irritated and made him restless at night. After washing his cheeks with Cuticura Soap and using the Cuticura Ointment I found improvement and soon the rash disappeared and my child was healed in a short time." (Signed) Mrs. A. C. Couston, Robertsonville, Quebec, January 8, 1916.

David L. Fultz, president of the Baseball Players' Fraternity, in a statement regarding the case of pitcher Dazzy Vance. He declared "The New York club always has treated its injured players with justice and that Vance was not injured in the service of either the Yankees or the Columbus American Association club, to which he was released. Vance, he said, injured his arm while pitching for the Winter League in California. The National Commission denied a Vance claim.

Thorpe Denies Report

Canton, O., Dec. 11.—"The reports that I am going to quit sports for good are untrue," said Jim Thorpe today. "Sports mean a living to me, and there is no reason why I should give up my vocation."

"I cannot say whether or not I will play football next year, but if I do not I will coach football. I am not under contract to play baseball with any team in any league next year, but have chances to sign if I wish. The New York Giants have an option on my services now. "I will probably be back-coaching the Canton team next fall."

Looks More Like Mitchell

Boston Globe—It looks more than ever as if Fred Mitchell eventually will succeed Joe Finner as manager of the Chicago Cubs. The Chicago owners are strong for him, and surely Pres. Haughton of the Braves will not stand in Mitchell's way. However, if "Mitch" does not land the Chicago management there is a bare chance that some arrangement will be made by which he will have an important hand in coaching the Harvard nine again next spring, even if he is not the man to be the day-in-and-day-out fellow in the cage and on Soldiers Field.

After Canadian Champ

Harry Tracy, Philadelphia featherweight, who has created quite a stir in the featherweight ranks, is after a chance at Frankie Fleming, featherweight champion of Canada. Tracy has more than forty knock-outs. He has decisions over K. O. Mars, Willie Jones, Eddie Morgan, George Chaney, Johnny Dundee, Joe Shugrue, Eddie Sherman, Kid Julian, Charlie White and Jack Doyle.

Langford British Subject

Gunboat Smith in an interesting interview with the Brooklyn Eagle, asked if the Eagle knew that the so-called "Boston Tar Baby" was a British subject. "So few people know it," he remarked. "Many know that he was born in the provinces of Canada, but they all seem to think that he has taken out his naturalization papers, and is now a citizen of the United States. I thought so until he took that trip to the Argentine Republic with Jim Buckley and the other boxer last summer. Langford had to get a British passport." Langford is a native of Weymouth, N.S.

AUTO

Detroit Wants Big Race Detroit, Mich., Dec. 11.—It is announced officially here that an effort is being made to have the 1917 Grand Prix automobile road race held in Detroit. A seven-mile course around Belle Isle has been decided upon tentatively. The distance of the race is 400 miles.

KENNEL

Famous Cocker Breeder Dead

Dogdom lost one of its most ardent breeders and fanciers this month, when George Douglas of Woodstock, Ont., died. Mr. Douglas was one of the best known cocker spaniel fanciers in the world, and for many years was a big winner at all the big shows in America and Canada. Year after year he captured American championship honors as the possessor of a large number of cups, trophies and badges won at all the leading shows held at Madison Square Garden, Boston, Pittsburgh, Chicago, Toronto and Montreal. Some of his successful dogs were Black Duke, Red Mack and Premier.

BILLIARDS

Moore and de Oro to Meet

New York, Dec. 11.—George W. Moore, holder of the three-cushion cushion billiard championship, has named the Music Hall of the New York Theatre Building and Dec. 15, 20 and 21 as the place and dates for his match with Alfredo de Oro, whose challenge for the title is next in order. The result will decide who shall hold the championship trophy, stakes of \$250 a side and 65 and 35 per cent. of the net box office receipts.

ATHLETICS

Adopts Walking as Sport

Ithaca, N.Y., Dec. 11.—Walking has been adopted by the various colleges of Cornell University as an intercollegiate sport and a committee has been appointed to draw up regulations for the event each fall.

CHESS

French Champion Wins

Georgetown, Ky., Dec. 10.—David Janowski, French chess champion, won the opening game of his match with Jackson Showalter, former chess champion of the United States, here last night. Showalter resigned on the sixty-first move. The second game of the match will be played on Monday.

BASKETBALL

Y. M. C. A. Leagues

Two games of basketball were played at the Y. M. C. A. yesterday. One was the junior league and one in the senior business boys' league. The former was won by the side captained by Daley by a score of 4 to 2; and the latter was won by Holder's quintette by a score of 24 to 10.

WASHINGTON HEARS THIRD

MERCHANT SUBMARINE

IS BEING CONSTRUCTED

Washington, Dec. 13.—A third merchant submarine for the trans-Atlantic service now is under construction in Germany. Advice received here from Berlin says names for the vessel and her sister ship, designed to replace the lost Bremen, have not yet been selected. It is said the merchant fleet, composed of the two new boats and the Deutschland, will be ready to travel on regular schedule between the United States and Germany late in the spring.

It is considered improbable that the Deutschland will start on her third voyage to this country until the winter weather on the Atlantic moderates.

The owners of the submarines have offered to transport first-class letter mails and the post office department has expressed itself as being ready to make a contract.

AT THE BOYS' CLUB

The regular Tuesday evening entertainment for the members of the Boys' Club was held last evening in the club rooms, Union street. M. Beidig was in the chair, and others present were Mr. and Mrs. N. C. Scott, Mrs. W. E. McIntyre and W. F. Nobles. The entertainment of the evening was furnished by eleven young ladies, from Main street Baptist church, under the direction of Miss Melchior. They presented, in a splendid manner, a sketch entitled Sun Bonnets, which met with the hearty approval of the boys. Miss Green and Miss Earle, of the Girls' Club, also gave a duet and there were piano selections and choruses. The boys also contributed to the entertainment, an exhibition of step dancing by Peter Berry being exceptionally good. Three cheers for the entertainers and the singing of God Save the King brought a most enjoyable evening to a close.

The young ladies of Main street church who appeared in the dialogue were Misses I. Mullin, A. Mullin, E. Brennan, G. Akerley, M. Estabrooks, E. Estabrooks, G. Hatfield, H. Flewelling, R. Dykeman, E. Burke, and M. Cowan.
