"It's great stuff for piles. I had them, bleeding, itching and protruding. The second application stopped the bleeding, and I have had comfort ever since. No, I'm not cured, but it's my own fault. I have felt so good I neglected myself. You can refer anyone to me."—A well known citizen's unsolicited testimony.

Dry "Evidence" Explodes.
Philadelphia, June 26.—The trial of Jacob Feldman on charges of having violated the prohibition law, was delayed when a bottle of "evidence" held between the knees of A. J. Mitten, government chemist and star witness for the prosecution, exploded, spraying the court room with its contents. Mitten escaped with slight injuries to one of his ears caused by the cork.
