BOWLING.

Y. M. C. I. League.

The Autos got rolled the Hawks in the first string of last night's game on the Y. M. C. I. alleys, by fourteen pins. Foshay and Thompson of the Autos and Hansen for the Hawks were in the 90 class.

Rolling at almost a 1,400 clip, the Autos captured the second string by 22 pins. For the Autos Thompson had a nice 108 and Logan and Foshay were in the 90 class. The Hawks had Kelly with 101 and Downing and Jarvis in the 90 class.

The third string followed the lead of the other two and went to the Autos by thirty-six pins. Logan for the Autos had 105, and McShane and Foshay joined the 90 class. For the Hawks Jarvis had 98.

Shots at the King Pin.

The Hawks sure got a crack at the Hawks. Evidently the Benzie Buggies had received a thorough overhauling.

After winning ten points out of twelve, to lose four in a row was some bump for the Hawks.

Apparently the frosty weather affected the Hawks' wings so they couldn't fly.

The Autos have made a good start and will be watched closely by the other teams this series.

PRINCE ALBERT

the international joy smoke

NEVER was such right-handed-two-fisted smokejoy as you puff out of a jimmy pipe packed with Prince Albert! That's because P. A. has the quality!

You can't fool your taste apparatus any more than you can get five aces out of a family deck! So, when you hit Prince Albert, coming and going, and get up half an hour earlier just to start stoking your pipe or rolling cigarettes, you know you've got the big prize on the end of your line!

Prince Albert's quality alone puts it in a class of its own, but when you figure that P. A. is made by our exclusive patented process that cuts out bite and parch—well—you feel like getting a flock of dictionaries to find enough words to express your happy days sentiments!

Most Canadian dealers now sell Prince Albert in the tidy red tin. If your dealer does not handle it tell him to order through his jobber. Leading Canadian jobbers are now supplied.

Fleming Wins.

Montreal, Dec. 4.—Fighting back to the good form exhibited in the bout with Nick Michaels two weeks ago, Frankie Fleming scored a decisive victory over Herman Smith of Buffalo in a ten-round fight last night.

This was Fleming's second meeting with Smith within a few weeks. Smith was given the decision in the first bout, but last night, with the local fighter had the edge on the American.

The semi wind up was a rough and ready go between Joe Shears and Arthur Giroux, two local ring veterans. They fought to a draw.

THE TURF.

Bugs Speed Horses.

Gloucester, Dec. 4.—Bob McCowan, a Sydney horseman, is back from a buying trip to New York and Boston. Mr. McCowan attended the Old Glouc. races in New York, but the speed offerings there were sky-high in price, so Bob passed them up.

In Boston he bought a pair, a free-for-all who took a mark of 2:11 in 1918, Clara Todd, a four-year-old trotter without a mark. Miss Carter, another "green" mare raising fine as well as a colt, out of a Peter the Great and Axworthy breeding. The new ones will arrive in Sydney Saturday and two of them are slated for Glouc. Bay. If the free-for-all horse comes up to advance notices, he will join the I. N. Allen stable in Glouc. Bay. Mr. Allen is reported to have "cleaned up" on wheat lately and is out to land a free-for-all that will beat 'em all next season.

Outlook for League Good.

Moncton Transcript: Moncton's two new rinks are rapidly being pushed along and workmen are busily engaged daily in rushing both structures to completion. It is hoped the two may be in readiness by Christmas. It is now reported that the outlook for a brisk season of provincial or inter-provincial amateur hockey continues to brighten. With the prospects of Moncton having two rinks all ready for skating this winter, hockey talk locally has been given a decided impetus. It is well known that the idea of a league embracing teams from Fredericton, Miramichi, Chatham and Amherst is well on the road to organization. Now comes the news that Sussex, the
