Italian Murderer is Electrocuted for Killing Woman—Confessed That He Beat Her to Death

Auburn, N. Y., June 27.—Joe Nacco, the Niagara Falls murderer, paid the death penalty in Auburn prison yesterday. Three attempts were necessary before he was officially declared dead. He had received a stay of execution two weeks ago from Governor Dix, the grounds of newly discovered evidence. He caused his prayers when entering the chamber, and as if to delay matters, asked numerous questions of the guards, who paid no attention to his words. When strapped in the chair for the fifth second, but as there seemed some doubt among the attending physicians a third time the current was turned on for five seconds.

Early Monday morning Nacco confessed his crime to the Rev. John Robbott and the Rev. J. J. Hickey, who attended him. The crime was committed at Niagara Falls on January 16, 1906. Nacco came to this country six years ago and at the time of his crime was living with Anna Canian, a reputed widow with three grown children. Nacco had a wife and daughter living in Italy. The discovery of their mutual marital alliances was made at the time a young son was born to Mrs. Canian, and on the morning of the murder, after an argument with Nacco, she declared: "If I were alone I would throw him into the stove."

Nacco picked up a stove lifter and beat her to death. During to alleged mitigating circumstances, the Italian government asked Governor Dix to review the case, but after a study of the case he declined to interfere.

ANGELIC SUMMER SCHOOL AT ROTHESAY

The summer school for Sunday school teachers, which was opened with a large attendance last evening, Rev. Dean Schofield in Rotchay last evening. The dean expressed regret at the absence of Bishop Richardson, who came all in to the conference. Rev. Canon Powell gave a lecture on "The Nature of the Church." He said the church should be prepared for a rational life. Only the foolish arrived at this position of the church. If they wished their children to be rational they must be taught about God. Small children were able to grasp spiritual truth.

This morning Holy Communion was administered by Rev. Dean Schofield, assisted by Rev. R. Hibbard, M. A., principal of the Rotchay Collegiate School. Rev. A. H. Crawford conducted a Bible reading class at 9 o'clock. Rev. President Powell delivered a lecture on the preparation of a Sunday school lesson. Mrs. Matilda of the provincial primary department, taught a model exhibition lesson. A round table was conducted by Miss Jarvis of the diocesan primary department. This afternoon Rev. Canon Cowie, M. A., will give an illustrated lecture on "The Prayer Book."

Could Not Walk Ten Yards Without Resting.
WEAK HEART WAS THE CAUSE.

Mrs. Robinson Collette, Rogersville, N.B., writes: "I am now enjoying the best of health after having used your Milburn's Heart and Nerve Pills. I was troubled with a weak heart and was afraid to draw a long breath for the pain it would cause me. I could not sleep at night, and it was impossible for me to walk ten yards without resting myself. I cannot speak too highly of your Heart and Nerve Pills, for they are the greatest pill I have ever used and I can recommend them to all who suffer from heart trouble."

Thousands of people go about their daily lives with a heart that is not at all well. Little attention is paid to the slight weakness of the heart, and the people reason that one thinks it will be well, but there is where the trouble lies made, and the heart becomes weak.

The first sign of any weakness of the heart or nerves, flagging energy or physical breakdown, the use of Milburn's Heart and Nerve Pills will soon produce a quick and permanent cure.

Price 50 cents per box, or 3 for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases of the blood and weakness peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its name on each outside bottle-wrapped in a wrapper of the truthfulness of the same word of mouth.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute. An unknown composition for this medicine or known composition. No counterfeits are in good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your precious possession—your health—may be your life itself. See that you get what you ask for.

GIGANTIC PLOT IN SMUGGLING JEWELS

Richard Parr Exposes Conspiracy Fathered by Millionaire—Trouble Over Mrs. Jenkins' Gems Leads to Discovery

New York, June 27.—A gigantic smuggling conspiracy, fathered by a millionaire, Wall street banker and broker, equally prominent in financial and social circles is exposed by Richard Parr, deputy surgeon of the port, following his investigation into the smuggling of jewelry valued at \$300,000, which had been given to Mrs. Helen Dwell Jenkins by a western millionaire.

According to Parr, millions of dollars were involved in the smuggling plot. Through his mysterious influence over certain government officials, it was said, the New York banker was able to bring jewelry valued at vast fortunes into the country without paying a cent of duty to the customs.

In an interview with a reporter Parr told of a \$300,000 bribe offer which had been made to him to abandon his investigation into the Jenkins gem mystery. The offer, he said, was made by private detectives, who, it is believed, represented the western millionaire and a southern millionaire also involved in the case.
