than it suffered, and that the best informed \$3 yearly. Send 15 cents, for a specimen, to soming houses, were destroyed. among the disinterested or unprejudiced are 838 Broadway, New York.

Our thanks are due to Mr. J.

Chestandard.

tain that the United States would surely pay politics just now as there is nothing floating ing address prepared for this issue is anacoid the interest on the National debt in gold, as on the surface of the political sea to disturb ably omitted, but will appear in our next. England and France do, the annual burden of or distract the attention of the pilots of the Press. This speaks volumes for the general England pays no more interest in the aggregate than the United States, although her debt is twice as large.

New York, Dec. 19.

Gold 135½.

Montreal, D.c. 19.

The Railway Commission has adjourned until after the heliditys. Portions of the road will be put under contract immediately.

More A. L. Light, C. E., will, it is 'xpected be Secretary to the Commission.—["What a falling off is here." Mr. Light expected to be Engineer in Chief.]

The Government of Ontario are bent on The Government of Ontario are the Commission of the New York, and was lodged in particular of the same of Mar. Hugher of Frederick and workment of Macoupinville, Ullianis, mundered in the unigh the country might be reduced one half, for Press. This speaks volumes for the general The Government of Ontario are bent on promoting Immigration; they have agreed to grant Ten Thousand Dollars to aid the Clerk and I meeting of Parliament.—
The Railway Commission have, we learn by an allowed the Engraph, advertised for tenders for the constitution of tour scetions of that road; two in Quebec, connecting with the Grand Trunk at great length and spoke well; Doctor Benson withdrew telling his supporters to vote as they pleased.

The Peter Mitchell spoke ally and element, in the great form twenty to twenty six miles in kingth. The specifications are the appear to have been drawn up in a great mean agreed to the Government; he replied various nitacks and asked the people to emport his policy and strengthen this hands opport his policy and strengthen his hands pear to have been drawn up in a great meaby-electing Mr. Gough as their representation as it is probable the result will prove tive.

They've got him! No one, drug—the evidence of which lies in sallow however, cared to face the demoniac crowd countenances, nervous dibility, loss of flesh as The Commissioners have adjourned their ed at full speed down Broad street towards with and party are confident of success and Excellent and party are confident of success and Hutchinson and his friends speak in the sum strain.—[Journal.]
