EVENING SESSION. The railway assessment bill was finally passed as was also the railway aid bill. The Kaslo-Slocan railway subsidy bill was considered in committee, Mr. Stod-dart in the chair. Mr. Horne moved in amendment to strike out section three and insert "Where, owing to the nature of the country or the over-tapping of the sections, it shall be found impracticable or practically useless for the purposes of the company to locate alternate sections of land, as provided in the Kaslo and Slecan railway subsidy act, 1892, it shall be lawful for the lieutenant-governor-in-coundil to grant to the company other lands in the district of West Kootenay, whether along the line of railway or not, such lands to be selected in blocks of not less than one mile square, but so that such other land shall not exceed in area onehalf of the lands which otherwise the sions of section 4 of the liquor license re-

amendment was passed.

Mr. Kellie moved as a new section as follows: granted to the company under section 3 of this act shall be open for purchase from the company by any person or persons upon similar terms to those provided for the acquisition of crown lands by the land act amendment act, 1891, save that the company may sell such lands at prices less than those provided in such act, either for cash or upon credit, at rates of interest not exceeding 6 per centum per annum. All the proceeds of such sales may be held and retained by the

The bill was reported complete, read a third time and passed. In the creditors' trust deeds bill the word "asignee" wherever it appeared was changed to "trustee," and other technical changes were made. The bill was read a third time and passed.

company for their own use." Adopted.

On consideration of the game protection bill to insert the following as section "No person or corporation, or railway, steamship, or express company, shall alt any time export, or cause to be exported or carried out of the province, any of the birds mentioned in this act, or any elk, moose wanti or any portion thereof; provided that it shall be lawful for any person having a license under section 22 of this act to export, or cause to be exported or carried out of the province, the heads, horns and skins of such animals mentioned in section 23 of this act as shall have been legally killed by such li-

Hon. Mr. Beaven said he had been led to vote for the clause prohibiting the exportation of deer skins on the understanding that it would protect the deer. But it had not done that; on the other hand it had diverted a large volume of trade clause prohibiting the exportation of deer skins ultra vires. The amendment was lost,

Mr. Grant moved the following as a new clause: "It shall be lawful during the open season and for thirty days after the commencement of each and every closed season, to export deer skins, but again commenced, it shall not be lawful for any person to have in his possession deer skins, unless such deer skins are for the purpose of being tanned in the province. Any person contravening this clause shall be liable, on conviction in a summary manner before a justice of the summary manner before a justice of the percent in accordance with the provisions of the summary convictions act, 1889, to a first state of the summary and averaged and averaged the summary application. The party during the party of the arbitration, and of his recovery by the use of a medicane called or limited catch or catches as, in the opinion of the arbitrators, might have been seen that the opinion of the arbitrators, might have been taken without undue dimination of the scall herds, such amount to be promptly paid; and whereas the result of the arbitrators of the summary convictions act, 1889, to a first summary conviction was to result of the arbitrators. The party during the party addition, and of his recovery by the use of a medicane called or limited catch or catches as, in the opinion of the arbitrators, might have been taken without undue dimination of the same time to the party application. The party during the party application of the use of a medicane called or limited catch or catches as, in the opinion of the arbitrators, might have been taken without undue dimination of the same to prove the party application. The party application of the use of a medicane called or limited catch or catches as, in the opinion of the surveyors are plet. I had no faith in being cured my like the drowning man graph or the vork where it was the provision of the straw, I sent for a dozent back of the party application. The party afflicted, and of his recovery by the use of a medicane called or plet. I had no faith in the provision of the surveyors are plet. I had no faith in the provision of the surveyors are plet. I had no faith in the provision of the use of a medicane called or plet. I had no faith in the provision of the use of a medican a fine of \$1 for each and every such skin as pertaining to British subjects; and provement for some time, then the pain | -A meeting of the council of the levied by distress, or to imprisonment to any term not exceeding, as to both fine and imprisonment, thirty days. In this connection the close season shall mean the time in each year during which deer shall not be hunted, taken, killed, shot at. wounded or injured, and the open season shall mean the rest of the year."

The amendment was lost. Mr. Grant then moved the following as a new clause: "Notwithstanding anything in the provisions of this act contained, it shall be lawful to export deer skins from the ports of this province, provided that the said skins were on hand for export prior to the passage of this act, and provided the same are exported within thirty days from the passing of

The amendment was negatived and the bill was passed. Mr. Booth, on a question of privilege,

said the committee appointed to investigate the "bindery charges" had held their session but had not had time to draw up their report. He therefore presented the evidence taken by the committee.

Mr. Semlin called the attention of the government to the resolution passed by the house several sessions ago expressing the opinion that tenders should be called th binding. He was satisfied that fully 60 per cent, could be saved to the province if tenders were called for. Mr. Booth said he could not endorse the remarks of Mr. Semlin. The complainant had refused to give evidence before

The evidence was received and will be printed in the sessional papers. On consideration of the report on the municipal bill Mr. Grant moved to strike out clause 31, the one referring to Nan-

day closing of all business places. Mr. Forster said the atterney-general had introduced the classe and he should take the responsibility of striking it outand not try to have it struck out in an

Hon. Mr. Davie said he had not changed his mind on the subject, as he thought it would work well. He was prepared to shoulder the responsibility.

The clause was struck out. section 34 which reads as follows: ceptably. Although chosen from the "Notwithstanding anything contained in government ranks he had never shown Hon, Mr. Davie moved to strike out the coroner's act to the contrary, in case a human being dies or is found dead constitutional questions would have done

enquire into the circumstances, and if, n his opinion, an inquest is unnecessary, no inquest shall be held unless five resident ratepayers in the municipality request the health officer or the reeve, as The me the case may be, in writing to have an

inquest held by a coroner. Mr. Sword moved in amendment that that portion referring to district municipalities should be allowed to stand. Dr. Milne said the clause should remain

as it was. It was absurd to say that a reeve could give a certificate of death and a health officer could not. Sword withdrew his amendment.

The motion to strike the clause out was carried. Mr. Grant moved an amendment respediing petitions for liquor licenses in the town of Kaslo. The amendment was

adonted. Mr. Grant moved that the following beinserted as a new section: "The provilieutenant-governor might have granted gulation act, 1891, shall not apply to the company, and not exceeding in the municipalities in respect to selling of it municipalities in respect to selling of liwhole sixty thousand acres." The quor by retail; provided that in all places where liquor is or may be sold by retail no sale or other disposal of the said li-

The lands which may be quor shall take place therein, or in the premises thereof, or out of or from the same, to any person or persons whomsoever, from the hour of six of the clock of the clock on Sunday afternoon, and from six of the clock on Sunday evening more than \$50, and for a second offence by a fine of not less than \$30, nor more than \$100, to be recoverable in either case, with costs, upon summary convic-
