We notice that the proposition of Government support to private schools is being pushed just now. Well, we are supposed to have efficient public schools in this preprints, and those whose station is posed to have efficient public schools in this province, and those whose station is life wish to separate themselves and their children from the common people should be made to pay for their pride. This excuse of wishing to have religious instruction given to their children in the school is something that should be taken with a large grain of salt. No grants to private schools should be the policy of the Government.
