SHIP BUILDING AT HARVEY A. C.—Mr. Gaius Turner of Harvey has commenced another ship of 1800 tons, which will give employment in that locality to a large number of men.

A SETTLEMENT WITH THE MINERS IN THE LEHIGH REGION.—The miners in the Lehigh region, Pa., have generally resumed work, the 12½ per cent on wages being restored to them.

WENDELL PHILLIPS ON SITTING BULL.—Wendell Phillips has sent an "open letter" to the Governor General urging that it would be contrary to all England's traditions to surrender Sitting Bull.

RUSSIAN ATROCITIES.—A Blue Book has been published in England containing Colonel Wellesley's report. He expresses the opinion that, from examination of witnesses, the tales of Russian atrocities are entirely unfounded.

NICTAUX AND ATLANTIC RAILWAY.—Dr. Honeyman of Halifax, who lately surveyed the route of the Nictaux and Atlantic Railway, seems to think that the country through which it will run has great natural resources.

TYPHOID FEVER IN QUEBEC.—In the days of military occupation Quebec was regarded as a sanitarium for debilitated troops, but through the carelessness of the authorities this reputation is disappearing and typhoid fever is making its appearance as an epidemic.

THE HOME RULERS.—The Annual Convention of the Home Rule Confederation of Great Britain was held at Liverpool lately, Dr. Butt presiding. A resolution was passed in favour of a more active and vigorous policy, and calling on the Home Rule League in Ireland to summon a national conference to settle the programme of the Home Rule party.

ATTEMPT TO BREAK INTO ST. JOHN SAVING BANK VAULTS.—Since the fire, the vaults of the burnt Savings Bank of St. John, have only been used for storing books, cents, and other bulky property, but on the 28th ult. it was found that the outer door had been forced, and an attempt made to blow up the lock of the inner one.

PUTTING UP TELEGRAPH RATES.—A despatch dated New York Aug. 29th states that the new schedule on telegraph rates has been ratified by the Western Union Co. and will now be presented to the Atlantic and Pacific Co. CANADIAN SHIPPING INTERESTS.—A rumour comes from Quebec to the effect that Dr. Fortin M. P. This gentleman has just concluded efficient service in collecting evidence to be laid before the Fishery Commission.

THE HON. MR. MACKENZIE AND THE "SARNIA CANADIAN"—Mr. Mackenzie has brought an action against the *Sarnia Canadian*. The ground for the action is the statement of that journal that Kaministiquia was selected as the terminus of the Pacific Railway on Thunder Bay, because Mr. Mackenzie owned land there and would be personally benefitted by the move.

THE ST. JOHN POST OFFICE EMBEZZLEMENT.—The preliminary examination of Wm. Henry Clerk, charged with abstracting money letters from the St. John post office, was brought to a close on Tuesday, the 28th ult. The magistrate then committed him for trial, remarking at the same time, that he considered it criminal in the Post Office authorities to engage boys for that work, when the temptation was so great, but, if they must have boys, watchful men should be employed to see that the work is done as it ought to be done. Clerke was then removed to jail.

Y. M. C. Associations' Convention.

The eleventh Convention of the Young Men's Christian Associations of the Maritime Provinces met in Chatham during the past week, commencing on Thursday last, and closing on Sunday evening, although several other meetings of members of Convention and their friends were held on Monday. The business and other meetings held by, or under the auspices of the organization occupied the greater part of each day up to Monday and it would, therefore, be impossible to give an adequate report of even one half of the exercises of each in an ordinary weekly paper. We give considerable space to them, however, as the occasion was one of deep interest to a very large portion of our people and much good has doubtless resulted from the visit of so large a body of earnest Christian workers.

THURSDAY AFTERNOON.

The first meeting was held on Thursday afternoon at 3 o'clock in the Methodist Church.

Clarence Primrose, as President, called the Convention to order in an approriate address. The following were appointed officers for the current year;

President—J. B. Morrow, Halifax.
Vice-Presidents—J. E. Irvine, St. John; T. C. James, Charlottetown; A. W. Paterson, Chatham; W. H. Wiswell, Halifax; W. E. McRobert, M. D. Truro; Thos. Logan, Fredericton; John Hillson, Amherst.
Secretaries.—W. B. McNutt, Halifax; W. R. Whidden, Antigonish; J. M. Oxley, Halifax.

The "Welcome Meeting," on Thursday evening, was held in St. Andrew's Church. The attendance was large and embraced a fair representation of all the Protestant denominations. The chair was occupied by W. S. Loggie, Esq, who was supported on the platform by leading delegates and others. The music was led by the choir of the Church who were assisted by members of other choirs. The 100th Psalm was sung, followed by the reading of the 12th chap. Romans by Rev. Mr. Parker, and Prayer by Rev. Mr. Thomas.

The Chairman, referring to the number present who were to deliver addresses, said it would not be necessary for him to do more than introduce them and say to all the delegates that they were welcome to the hearts and homes of Chatham. He introduced Geo. A. Blair, Esq, who would welcome the delegates in the name of the citizens of Chatham.

In extending a welcome Mr. Blair said there was no place where the work of the Y. M. C. A. would meet with better appreciation than in Chatham. That work was—as he understood it—to arouse people to a more full recognition of the things pertaining to the Kingdom of God and to warn them against the wiles of Satan. After dwelling on the importance of properly understanding the supremacy of God in all things, as inculcated by the Scriptures, he referred to the well known conflict constantly going on in man's mind between his duty to God and his inclination to evil, and said that as we were liable, in the experiences of every day life, to forget these things, and it was the mission of the Y. M. C. Associations to keep them in our minds, they were undoubtedly engaged in a good work. It must be remembered that there was no neutral ground in regard to our own duty to God. His laws required obedience and when that was rendered we were sure of security from trouble, while the violation of His commands entailed the saddest consequences. The delegates present represented a body who labored to win respect for God's laws and further the things pertaining to his Kingdom, therefore their work was one which ought to command for them our admiration and respect. One feature of their work, too, was the protection which they afforded to young men. Those who observe the course of daily events in our large towns and cities, knew how great were the temptations which beset young men, whose inclinations rendered them susceptible of evil. Young
