AT BISLEY.

Scores of Canadians in Final for King's Prize.

Lord Roberts Presented Chief Prizes Won By Our Boys.

BISLEY CAMP, July 28.—The MacKinnon challenge cup match, which was originally shot off on Wednesday, July ..., and which was ordered to be shot over again today, owing to a protest entered by Lt. Col. Burland, commandant of the Canadian team, and which was upheld by the winners, the Australians, who refused to take the prize, was re-shot this morning and was won by the Canadians. The Dominion's representatives therefore finished up in a blaze of glory, as this match closed the meeting. The scores of the three leaders were as follows:

Canada	1,375
England	1,340
Scotland	1,317

Other teams, including the Australians, who declined the prize after it was awarded to them, subsequent to the first decision, on Canada's protest, were snowed under. The team which represented Canada was as follows: Col. Sergt. Major M. McDougall, 5th R. C. A.; Pte. J. T. Peddie, 5th Royal Scots; Lance Corporal S. S. Mortimer, 6th D. S. O. R.; Col. Sergt. Major F. Richardson, 5th R. C. A.; Capt. R. Rennie, 2nd Q. O. R.; Col. Sergt. J. Moscrop, 6th D. S. O. R.; Capt. T. J. Davidson, 8th Royal Rifles; Pte. C. S. Scott, 43rd D. C. O. R.; Sergt. W. A. Smith, 43rd D. C. O. R.; Staff Sergt. G. S. Bayles, 10th R. G.; Col. Sergt. E. R. Skidden, 13th Regiment; Staff Sergt. C. Carruthers, 4th Hussars.

At the final range in the King's prize competition the weather could not have been worse. During the shooting a hurricane of wind prevailed and several targets were blown down during the firing. Capt. Rennie made 3, 2 and 3 in the three shots, then missed three, scored two and three on the seventh and eighth shots, missed the ninth, and scored two on the last.

Major McRobbie made a miss with the first shot, scored three each on the second and third, missed the fourth, made four and two on the fifth and sixth, missed the seventh, got two in the eighth, and failed to score on the last two.

Thos. Mitchell did better. His scores with the first four shots were 5, 5, 2, 2, but he missed every other shot except the seventh and eighth, when he made 2 and 3.

The hurricane this afternoon was so strong it blew down the umbrella tent where the distribution of prizes was taking place.

Lord Roberts was present in camp today and the Canadian team were drawn up in front of their tent to receive the distinguished visitor. Other colonial teams were lined on each side of the avenue leading to the Canadian headquarters. Lord Roberts explained that the Prince of Wales had been unable to come and at his highness's request he had taken his place. The commander-in-chief presented Capt. Rennie, the leading Canadian in the grand aggregate, with the silver tea set, Lord Strathcona's prize, and Pte. Scott with the gold watch given by the Canada Co.

DESTRUCTIVE GALE

Visits Great Britain and Parts of the Continent.

LONDON, July 27.—The gale which prevailed in England Saturday caused great destruction to crops throughout the United Kingdom. Incoming steamers report terrific weather on the Atlantic. The rough weather continued round the British coasts on Sunday evening and has been general throughout Europe.

A cyclone occurred in the Liege district of Belgium Saturday. Navigation on the Liege and Maestricht canal was stopped by fallen trees and the greater portion of the crops were destroyed or hopelessly damaged. Enormous injury was done in the town of Liege.

Many persons were injured in Aix-la-Chapelle and Stolberg, Prussia, by falling tiles and chimneys.

COL. EVANS

Brought his Men Back to Canada

And Filed His Final Report of South Africa Operations With the Ottawa Department.

OTTAWA, July 27.—Nearly 33,000 new English sovereigns have been brought into Canada. They were minted in Australia at the Sydney mint and bear the King's head without the crown.

When on June 25th Col. Evans received four hours' notice to entrain his men for Durban and home there was very little time to procure supplies. The principal thing which the commanding officer did at Durban was to go to the Stanbard bank and put in the pay sheet of the regiment, a demand for ready cash, to the amount of $32,600. It almost swamped the bank, coming as it did so suddenly. The manager had no bank notes, and he told Col. Evans that he would have to take the money in gold. Accordingly Col. Evans sent for a guard of five men with revolvers. The gold was transferred to a cabin in charge of a guard, put on board the steamer, and when the Winnifredian was well out to sea, the money was paid over to the men. The sovereigns are likely to become valuable, as after the coronation they will be supplied by a new design. Col. Evans says elaborate preparations had been made in Johannesburg to celebrate the coronation. The Canadian colony, few though it was in numbers, had erected a very fine arch, and the officers of the second Canadian Mounted Rifles sent a subscription of $300 to assist in defraying the expenses.

Col. Evans' final report of the operations of the 2nd C. M. R. was presented to the department yesterday. It says that on June 15th Sergt. Ball's party returned from Wolmanstad, where they successfully located and placed a stone over the graves of Corp. Kinselly and Private Day. The graves were found to have been neatly arranged and kept in good order by the Boers. The same party also visited Boschbult and put the graves there in good order and placed a stone over them. On the 16th the sports of Col. Cookson's column took place, 90 per cent. of the events being won by Canadians.

Orders having been received to leave for home, Lieuts. Ralph Markham and E. B. Allan decided to remain in South Africa, and resigned their commissions. Ninety-three noncoms. and men also took their discharge in South Africa. The regiment reached Durban on June 24th, travelling for three days in open freight trucks. Lieuts. Moir of Ottawa, regimental paymaster, who had been to Cape Town, failed to overtake the regiment and was left behind. Col. Evans says there was ample room for all ranks on the Winnifredian, but that the messing for non-coms. and men was not very satisfactory.

DROWNED IN ST. CROIX.

Hugene Cole Lost His Life By Canoe Upsetting.

Narrow Escape of His Brother and Arthur Murphy, Both in a Dazed Condition.

ST. STEPHEN, N. B., July 27.—This community is saddened today by another drowning accident, which occurred four miles down river late last evening. Eugene and Neill Cole, sons of Wm. H. Cole, treasurer of the St. Croix Slipe Co., and Arthur Murphy, employed in the postal office at Calais, left Calais in two canoes, intending to spend Sunday in camp down river. The Cole boys were ahead in one canoe and Murphy right behind them in another canoe, which contained the provisions and outfit. While passing through the narrows the Cole boys undertook to change places in their canoe and it was upset. Murphy saw the accident and hastened to the rescue. Eugene Cole had sunk from sight, but Neill Cole caught hold of Murphy's canoe. In this position they waited for Gene to reappear, but when he did come up they were unable to reach him, and he sank again, never to arise in life. Murphy towed Neill Cole ashore, and went out again to search for the body, but was unsuccessful. In the meantime Neill Cole ran with all haste to the Ledge, and reached the summer cottage of H. Q. Boardman, when he fell from exhaustion. Dr. Deinstadt was summoned from town to attend him, but he was hysterical, and it was not until this morning that he regained his strength and senses sufficiently to tell of the occurrence. Murphy reached shore after his fruitless search in a dazed condition, and spent the night wandering in the woods on the river bank. The body of Eugene Cole has not yet been recovered, though searching parties have been at work all day with grappling irons. He was a popular young man of twenty-four and was employed in the new shoe factory in Calais. He served with the United States army in Cuba. His mother died about a month ago, and this sad event calls out sincere sympathy for the father and younger brothers. The boys were members of a canoe club recently organized in Calais.

LORD DUNDONALD

On Assuming Command of the Canadian Militia,

Issues Congratulatory Welcome to Col. Evans, His Officers and Men.

OTTAWA, July 27.—The following special militia orders were issued yesterday:

"The major general commanding on assuming command of the Canadian militia, takes pleasure in welcoming Lt. Col. Evans, C. B., and officers of 2nd Regiment, Canadian Mounted Rifles, and 10th Canadian Field Hospital, N. C. officers and men on the return from active service. The major general regrets he did not assume command in time to take part in the formation of the troops who have so worthily represented the Canadian militia in the field, and he takes this opportunity of expressing his appreciation of their valuable services, knowing that the splendid stand made by them at Kleinshardt's River contributed in a special degree to the termination of the hostilities.

To the 3rd, 4th, 5th, and 6th Regiments, C. M. R., now returning to their homes, the major general extends a hearty welcome. While the officers and men of these regiments did not arrive in time to take the field, the major general knows how readily they responded when additional troops were called for, and he is satisfied had they met the enemy, would have sustained the splendid record made by the former Canadian contingents.

BRITISH COMMONS.

An Irish Protest Turned Down, 210 to 64.

LONDON, July 28.—In the house of commons today, John G. S. MacNeill (Irish nationalist) moved a protest against the appointment of Lord Alverstone, lord chief justice of England, and Sir John Bigham, judge of the King's bench division of the high court of justice, who, together with Major General Sir John Ardagh, recently agent of the government on the South African claims commission, were appointed last week a royal commission to proceed to South Africa and inquire into the sentences imposed by the military courts, with the view of ascertaining whether it is expedient that such sentences or fines be remitted or reduced. Mr. MacNeill maintained that the attitude of Lord Alverstone and Sir John Bigham toward the Jameson raid commission utterly unfitted them to fulfill their present duties.

Mr. MacNeill's motion was defeated by 210 votes to 64.

DOUBLE DROWNING.

Young Englishman Lost His Life in Vain Attempt to Save a Canadian Girl.

PARRY SOUND, Ont., July 28.—A double drowning accident occurred this evening near Two Mile Narrows, about two miles from here, by which the lives of Miss Etta Beatty, eldest daughter of David Beatty, dominion land surveyor, of this town, and that of Frank Cross, a young Englishman, whose relatives are all in England, were both lost. The young couple were with a picnic party given by Major Knifton's family, and were in bathing. Miss Beatty, although only a few yards from shore, got out of her depth. Cross at once rushed to her assistance and twice brought Miss Beatty to the surface, but finally being overpowered in his exertions, was himself drowned in the attempt to save her. Cross was known to be an exceptionally good swimmer. The bodies were recovered.

POPE TO PRESIDENT.

Letter Borne By Bishop O'Gorman Says Mr. Roosevelt to Accept Souvenir of Pontiff's Good Will.

ROME, July 27.—Bishop O'Gorman of Sioux Falls, S. D., who left Rome yesterday, carried with him a letter from the Pope to President Roosevelt, thanking the latter for the congratulations and gifts presented by him to his holiness, and begging him to accept, in return, a souvenir of the pontiff's good will. The letter also expresses satisfaction with the result of the negotiations carried on by Judge Taft. The entire letter is couched in the most cordial terms.

OTTAWA.

Forty-four Cases of Contagious Diseases in Hospital.

General Dundonald Starting Out in a Practical Way—Capital Wants a Kilted Regiment.

OTTAWA, July 28.—There are forty-four cases of contagious diseases in the isolation hospital.

A number of citizens are organizing a Paderewski club, the object of which is to bring a barber here who will work exclusively for the club members, including a hair cut for 15 cents, as opposed to the city barbers' increased price of 25 cents.

A telegram from White Horse states that the condition of Governor Ross shows greater improvement than ever. He is able to move around quite a bit.

General Dundonald is a warm advocate of the policy of giving D. O. C.'c greater authority, or, in other words, he desires to get rid as much as possible of appeals to headquarters on trivial matters.

A movement has been inaugurated to organize a kilted regiment here, but it is hardly likely the militia department will grant permission to raise it, as the capital possesses as big a military establishment as can effeciently be maintained.

Reports to the fisheries department indicate that British Columbia sealing schooners operating on the Japan coast and in the vicinity of Copper Islands (Russian territory) had four catches.

Chas. Way, M. L. A., of Newfoundland, is in the city. He is interested in subjects of cold storage for bait, and had an interview with Prof. Robertson today.

GENERAL DE WET

Evades Friendly Demonstrations as Easily as He Did Kitchener's Traps.

CAPE TOWN, July 28.—General De Wet proved that he could evade friends as successfully as he did enemies by arriving here unexpectedly this afternoon and upsetting all the elaborate plans prepared for his reception. He strolled through the streets, casually nodding to acquaintances and occasionally to a former opponent. Arrangements were quickly made by Afrikanders to entertain the famous leader tonight at a semi-private dinner, tickets to which already stand at $26.25 premium.

A striking contrast to De Wet's return was the scene on Sunday, when Generals Botha and De Larey attended church. The building was packed, mainly with women, and the service was scarcely concluded when these Cape Town admirers stormed the pew in which the generals sat. With difficulty they retreated to the vestry. The congregation followed and Generals Botha and De Larey were lifted to the vestry table. The pastor of the church warmly remonstrated, whereupon a number of those present seized the generals and carried them to carriages, where another demonstration ensued.

MARTITIME PREMIERS

Will Meet in Quebec in September to Amend B. N. A. Act.

MONTREAL, July 28.—Hon. Arthur Peters, premier of Prince Edward Island, was in the city today on his way home from London and made public the interesting information that the maritime province premiers would hold a meeting in Quebec in September to discuss a very important amendment to the British North America act. The maritime provinces object to losing any of its members in the redistribution bill. According to the unit fixed by the province of Quebec, each of the maritime provinces will lose one member. Manitoba and British Columbia had been taken in with the understanding that the representation would not be reduced and the maritime provinces premiers want this provision applied to them. Premier Peters states Hon. Mr. Fielding sympathises with them and will do all he can to help them.

KING'S HEALTH.

After Coronation Their Majesties Will Go to Balmoral.

COWES, Isle of Wight, July 28.—An official bulletin issued today says:

"The King's health continues excellent and the wound is healing rapidly. His majesty was able to move from his couch to his wheeled chair for a few hours yesterday."

LONDON, July 28.—Soon after the coronation, August 9, their majesties will go to Balmoral Castle and remain there for a few weeks. The air there is expected greatly to assist the King to recuperate.

BOTHA DEFIANT.

CAPE TOWN, July 27.—In a recent speech at Paarl, Cape Colony, Gen. Botha said that all of South Africa was under one flag, but that the Boers had not been vanquished. Darkness was in front of them, he said, but faith and hope would guide them through it. Africa was their fatherland, their birthright and their inheritage.

NEWS OF HARNESS HORSES.

Dan Patch Should Be Sent to 2.00 Line Soon.

The Wonderful Filly Miss Todd, and the Colt Todd, the Latter Well Known in New Brunswick and Maine.

(N. Y. Sun, 27th.)

It has been reported that Edward Bronk, the well-known owner of local trotting celebrities, has purchased the blind M. and M. Stake winner, Rythmic, 2.11 1-2. Rythmic trotted his stake engagement at Detroit on Mr. Bronk's nomination and it was said he had an interest in the result. The horse is in every way a remarkable trotter, having last year trialled in 2.10 to a cart, and the report of his great speed served to attract numerous prospective buyers, yet on learning that he pulled so hard it was necessary to apply the pulley reins to control him, and because of his blindness, none cared to pay the figure asked. Photographs received from the west show him to be a counterpart of Oakland Baron, 2.09 1-4, his illustrious sire.

The victory of The Monk over Lord Derby at Cleveland, and the great speed shown by the latter after his break, tend to inspire confidence locally in each of the Speedway topliners. Saunders let the big bay gelding step the last half mile in 1.00 3-4 when hopelessly beaten, duplicating a similar drive Geers made last year behind the horse in his race at Boston with Cresceus. Spear's tactics cost Fred Gerken a chance to win out nearly all he lost on Fred S. Wedgewood on the opening day, as he covered the plunge of $10,000 made by Owner Smathers only to have the judges declare all bets "off" on the race.

Dan Patch's owner would best get him to the 2.00 line as quickly as possible, as he is now barred in the betting and could earn more money pacing exhibitions than winning mere purse races of but $750 to $900 net a week. It does not seem likely he can hold his high form a third season without meeting a reversal somewhere along the line. He is now at 2.03 3-4, and only his trainer approximately knows his capacity, and he has limited his laudations to a statement that "he is the best I ever drove." McHenry left John R. Gentry at 2.03 3-4, Anaconda at 2.03 1-4, Coney at 2.02 3-4, so he must consider Dan Patch a 2.00 or 2.01 pacer inasmuch as Gentry went on to a record of 2.00 1-2 with W. J. Andrews. It would be the best drawing card in years could Prince Alert, 2.00 3-4, Anaconda, 2.01 3-4, Coney, 2.02, and Dan Patch be brought together at Brighton Beach next month.

The wonderfully promising two-year-old filly Miss Todd, recent trial 2.31 1-2, was sold last Tuesday for $8,000 to George D. Sherman, the millionaire iron man of Port Henry, and his trainer, Alonzo McDonald. A year ago Howland S. Russell of Boston secured her for $4,000, so he realized a neat profit. Miss Todd is by Peter the Great, 2.07 1-4, from Fanella, 2.22, by Arion, 2.07 3-4, second dam, Directress, 2.19, by Director, third dam Aloha, dam of five or six, by A. W. Richmond. Like Directum Spier, her sire and dam's sire were fast at 2 and 3, and in the end extreme performers at the trot. Bred to Bingen, 2.06 1-4, Fanella produced the colt Todd, who showed 2.21 1-2 as a two-year-old last season and eighths in 15 seconds in public. He is to make his first start at the Brighton Beach meeting next month in the Horse Review Stake, wherein he will meet a high-class field of juveniles.

The Saugus winner, Belle H., 2.19 1-4, is another of the class "sent on from the west in a carload of horses," whose breeding is utterly untracable. Of late these "untraced" performers have been very rarely encountered. No one questioned Belle H.'s standing, as she has been developed under the eyes of expert horsemen and came to her speed only this spring. She defeated a good lot, and will be a 2.15 trotter some day over a faster track than is Saugus.

By opening a 2.09 pace at Charter Oak for the Aug. 2 gathering A. J. Welch gives the big New York pacer Joe Pointer a chance to start. He is now laying up, having won five straight races, but will be nearly the winner if he is edged up sufficiently on race day. The event is at two in three and for $1,000. Doubtless Spear will start Gold Brick, 2.08 1-2, in the class, and several from here may be starters.

The Cleveland winner, Daphne Dallas, 2.07 1-4, belongs to the Brooklyn roadite, John F. Dingee, and her great speed seems a local surprise. At the Empire City meeting of 1900 she won a heat in 2.11 1-4, and could not quite win. At the Parkway meeting last fall she was defeated in 2.10 1-2 by Dick See, yet Ben Kenney, who has her now, has given the stars of the 2.11 class a setback. She was second in 2.05 3-4 so paced faster than her record in that heat. Ordinarily the produce of Daniel Lambert mares have not raced very gamely, yet Daphne Dallas was second in heats she did not win, showing capacity to beat 2.10 in five heats, and no winner of the season has been driven so hard a race as was she. Few are as handsome and Daphne Dallas is in reality though a mere pony, standing not above 15 hands and weighing but 800 pounds in race condition.

Last week nine trotters and pacers entered the 2.10 list. At Cleveland, thus far, Hesperus, 2.09 1-2; Dandy Chimes, 2.09 1-4; Daphne Dallas, 2.07 1-4, have entered with creditable records, and Louise Jefferson has trotted in 2.08 1-2 to a wagon. Lord March, never before marked, reached 2.11 1-2. Anzella reduced her 2.09 1-2, made at Detroit, to 2.08 1-2 at Cleveland, and seems a brilliant trotter. Our New York horses, Dick See and Antezella, had hard luck and the backers of M. E. Sturgis's Darwin saw a lot of money burn up as he could not defeat the Detroit double stake disappointment, Wentworth. Wentworth raced twice at Detroit and was off the boat but a few hours when he went into his hard race at Cleveland, having trotted on Tuesday at Detroit.

W. C. Ford-Jones's horses have been behind the money in their starts to date and it is not likely they will be raced at Columbus and Fort Erie. King Chimes, 2.10 3-4, the best of the lot, seems utterly unable to cope with 2.10 trotters on the Grand Circuit. He could trot in 2.08 here and would have won races on the Eastern circuits had he been kept hereabouts. A. C. Fiske's Speedaway pacer Snitz was timed heats faster than 2.10 at Cleveland, yet the winner's time was 2.08 1-2 and so he was hopelessly outclassed. Berdina, 2.10 1-4, was distanced by Daphne Dallas in 2.07 1-4.

PEOPLE WE KNOW.

Take Part in a Social Affair at Butte, Montana.

On its society page a recent issue of the Anaconda Standard has in its Butte correspondence the following:

"Mrs. D. J. Hennessy, with charming grace, threw open the doors of her hospitable home on yesterday afternoon for the entertainment of the young lady friends of her acquaintance in honor of Miss Maud Galen of Helena, Miss Margaret McElvain of Colorado Springs and Miss Madge Raleigh of Helena, who are her guests. Misses Wymie Berry and Bernice Sully were pretty little door maids, while the Misses Julia Horgan and Ethel Berry presided at the punch bowl. Mrs. Hennessy was further assisted by a group of ladies, including Mrs. James Berry."

Mrs. Berry is the wife of James Berry, formerly of the St. John Sun, and the Misses Berry mentioned are her daughters. Mrs. Berry is the sister of D. J. Hennessy, formerly of Fredericton.

THE TURF.

The Grand Circuit Meeting at Columbus, Ohio.

COLUMBUS, O., July 28.—The grand circuit meeting opened here today with all conditions favorable for a successful week of trotting and pacing. The weather was warm and delightful until a hard storm blew up and drenched the track so thoroughly that the 2.09 pace, in which three heats had been decided, had to be postponed until tomorrow. Before thes storm the track was lightning fast and every heat winner lowered his mark.

Directum Spicer, Henry Schmulbach's four year old stallion, was picked to win the 2.20 trot, selling in the auctions at $50 to $16 for the field of three. The field price was reduced to $7 after the first heat and many of the pools were sold at that figure. The son of Directum justified the confidence of his backers by leading from wire to wire in both heats, reducing his record in the second from 2.13½, made in his first start at Cleveland last week, to 2.11¼. Darwin drove him out in each heat but was always a length behind at the finish.

The 2.09 pace, the feature of the opening day, was postponed after Fred S. Wedgewood had taken the first two heats and Captain Sphinx the third. Dan R. and Daphne Dallas sold equal favorites before the race, each bringing $50, in a pool of $125. Dan R. could not catch Wedgewood in the first heat and Daphne Dallas was unable to land the second or third, for both of which she was driven hard. The postponement of the race will probably make Wedgewood the favorite, although he was a beaten horse after the third heat today. Prince Direct was drawn after the third heat and will not start tomorrow. The 2.18 pace was a gift to Miss Leachr the favorite at $20 to $25 for a field of three.
