While schedules have been made and officials detailed and the general football programme laid out throughout the country the situation at Princeton Harvard and Yale is still in a very nebulous condition.

As mentioned in this article last week, there has been a suggestion coming from Dean McClenahan of Princeton advising the playing of a real contest only once in two weeks.

This suggestion brings up several memories of the old days, and one in particular, when there was great result in rendering it impossible to make out ordinary schedules.

Atletics is Preferred. Annapolis is merely looking forward to the chance some day to square matters up with West Point, and Gilmore Dible has been re-engaged, and it is understood for at least two seasons will be Lush, who has handled baseball and basketball successfully during the last year.

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well."

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."

"Mrs. Marie Boyd, 1421 5th St., N. E., Canton, Ohio. Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, after doctors have said that an operation was necessary—every woman who wants to avoid an operation should give it a fair trial before submitting to such a trying ordeal."

If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The rest of my years experience is at your service.
