

## REPORT OF THE KIRK SESSION.

### *To the Members and Adherents of Knox Church :*

As we again cross the threshold of another year, the Session desire to present the following statement to the congregation as a record of the year's work, acknowledging the continued goodness of our Heavenly Father towards us as a congregation in the way that he has been leading us during the year just closed, while we as a congregation have not increased in numbers during the year, owing, we believe, to the scarcity of work, many having to leave us and go elsewhere to find employment. Still, the progress the Master's work has made in this, His vineyard, is very encouraging as indicating by the ingathering of members on profession of their faith shows that the Holy Spirit is at work amongst us, and the earnest prayer of your Session is that it may continue to work more and more until all shall know the Lord, whom to know aright is life everlasting.

The following members have died during the year :
