Dear Sir:-

In further reference to your letter of July 31st. No 30054. I enclosed please find a letter from Mr. Brown offering you the cutting rights for a term of five years at the sum of \$500.00. You will also find a surveyors plan of the land in question. After Mr. Brown had the land run out by a surveyor he found there wasn't the number of acres he thought was in the lot so he told him he would have to include a small lot that was on the opposite side of the road, at the same price. He has agreed to do this. There is approximately fourteen acres in this lot.

I have marked the additional lot on the surveyors plan.

Yours very truly,
W.O. Bligh.
