MODERN CONVENIENCE.

IT ENLIVENED A HOUSE. "Aleph B. Gimmel" relates in a late issue of the Philadelphia Sunday Dispatch his marvellous experiences with toreign events are conducive, be it in ever so slight a degree, to energy and progress, they be forwarded daily or every two days, to every city and district. In the number of the Yokohama paper which is translated, the foreign news is a district telegraph box, that his wife had coaxed him into purhasing. He says: The Modern Convenience came to hand. It was put up in my absence.
Mrs. Gimmel had fathomed its mysteries to the lowest depths, and she explained them to me, how to push a little white handle to the left and pull a Amongst other interesting items, the ring, when a messenger would pop up rescue of six Japanese from a small boat out of the floor, thrust it to the left, in a very high sea, who were in a state of ive the ring a tug and the policeman some, and of very attractive manners"—with a play actor, affords an opportu my wife, who was wrought up in a his nity for moral reflections on love. "As regards the tender passion between the sexes," the writer says. "it were useless degree of excitement. She insisted upon the hearkening. I hearkened. did hear a noise of some kind, and to enter upon the question of wisdom proposed to investigate.

"()h, don't !" screamed Mrs. G.;
"you'll be killed! Think of Foster— Probst! I'll save us both from the blood-thirsty wretches!" She rushed age, forget for the sake of a young spark their family and household ties heaven visits them with some other to her telegraph box and pushed and pulled. "Pshaw!" said she, "I have made a mistake!" and she pushed and

"Oh, dear i" she cried pettishly, I this lady's intended wedding with maise in the back yard again. Then my wife tugged with might and screaming hysterically the while

screaming hysterically the while.

Now, you see, Aleph—what a jewel of a wife you have got! Our latest Modern Convenience—will save our lives—the life of our perceious child! Here there was a terrific ringing at Run down, Gimmel ! It's th

"as for Mr. Dossho, his family cogn men of Edderburnhouse is only likely to be changed into 'Wed-her-burnt-house.

BEAR ADVENTURE AT MIN

A correspondent of the Bobeaygeon Independent" sends the full account

n your paper with great interest but ever took so much interest in a be

Having set a dead fall for bears, I wen accompanied by two of my children, ee what luck I had met with. To m

surprise I found a young cub trappe in the dead fall. I shouted to m

children to come and see the cub, who

ust as I was shouting, a huge bear came

leeded succor!" said my wife.
I obeyed. No sooner had I opene the door than a policeman grasped m Ah! You are the burglar, are you? Now dodge, ch! Rigged up in a night shirt with a candle in your hand Cunning lady; but I am too old a bire to be caught with such chaff !

He shook my night garment as though it concealed burglars in every stitch, and was about to drag me or f my own house-out into the rainwhen three dripping, sturdy boys came trudging over the house-hold, followed by more hurrying men.

We be the messengers sir 1" bawled all three in chorus. 'I brought a docter !" said the first.

NEWSPAPERS IN JAPAN .- The condition of interesting topics treated in the Commercial Reports from Her Majesty's Consuls in that country. The Yokohama Daily News forms an appendix to the report by Mr. Russel Robertdix to the report by Mr. Russel Robert-son, from Kanagawa, and gives a good idea of the attempts of the native press to educate the people. Many newspapers have now been started in the
country, and a fair appreciation is shown
of the requirements of a daily paper.

Cash evening. The deputation is comdestroy the institutions of its people for
the enrichment of the adventurers
themselves.

Dec. 18.

A PLEASANT FAMILY AFFAIR. A MOST EVENTFUL TOYAGE

The encouragement given to some of them is evident from a decree of the Vice Minister of the Treasury. In this it is ordered that, these journals by furnishing correct information about home and foreign events are conductive, by it in among farmers, a fair the aid of the fast horse, but even without the spur of a list of premiums. The enterprise was orginated by the Vineland Farmers' Club, but the Patrons, and, indeed, the whole community, combined in the good cause and worked in such harmony that despite the total, absence any prizes, or of fees collected at the spur of the perils of voy the Horn." About a year a the crew of the ship "Cru the crew of the That was a very-homelike and profi-table neighborhood gathering not long ago near Vineland, in Palmyra Town-ship, Kansas, and proved conclusively that where the true spirit and enterprise are not wanting among farmers, a fair can be organized and carried to a very eign events are conducive, be it in conspicious by its absence, but the home news is instructive and entertaining. great distress, occupies a prominent posi-tion. This was effected by the captain of the British steamer "Ottawa." Inciat the ring as if you wanted a shower bath, and the fire department would come locomotive speed for our domicile. Supposed to be in flames. On the second day of the domestication of the Latest Modern Convenience in our abode, my first-born summoned four messengers. The inquisitive boy went supperless to bed on the eventful day. His mother paid the messengers, and conomized by saving the child's evening meal. But the crowning trumph of the conveyance was yet to come, and it came on a dark, rainy night. I was sleeping the sleep of innocence, when Mrs. G. aroused me with the old news that there was robbers trying to get into the house. Having received this of night, I disregarded it, and dozed on; but only to be jostled again by would be tolerated on; but only to be jostled again by would be tolerated on; but only to be jostled again by would be tolerated on; but only to be jostled again by would be tolerated on; but only to be jostled again by would be tolerated on; but only to be jostled again by would be tolerated on; but only to be jostled again by with a play actor, affords an opportuand 76 lones, the latter all of the best of the provide of the first of the provide of the first of the provide of the first of the provide o folly. Just as in old time, so now' the cleverer a man the greater fool he makes of himself, but when women like this Mrs. O. Kiku, whose buxom brows are already beginning to wrinkle wit "I have read a good many bear stories dventure as I did in my own last week

> charging on me at the top of her speed. The bear was on one side, and children on the other. Shecame on resolu-

Clayton, Tuesday, Dec. 16. Pakenham, Wednesday, Dec. 17. St. Johns, Antrim, Thursday, Dec. became known in French as filibustiers, and in Spanish as filibusters, an application gradually extended in those languages to any kind of pirates. By a still more extended meaning, in the United States this term has come to be applied to designate any military enterprise set on foot and prosecuted against the Government of any State or country where the side, and a pair of a little specks on her left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a pair of a little specks on left side, and a little specks on left side specks on Watts, S. H. Torbolton, Friday, Fitzroy.
