McClary's Pandora makes good cooks

Is it the proper thing to ask a woman to tinker with a range? There is no reason why she should have to juggle things about the oven to keep them from burning; no reason why she should have to "coax up" a slow oven; nor why she should struggle with cranky grates. And yet how

many women have to work against such odds! Let the same women have Pandoras—let them get rid of all the mechanics of running cantankerous ranges, and they will cook as well as the next woman!

McClary's Pandora Range

Do you know enough about Ranges?

To let every woman know all about the Pandora, we have had printed a booklet, "The Magic of the Pandora". This book explains clearly the features that have made the Pandora famous. Your copy is ready for you.
