## NEWS OF NORFOLK TOWNSHIP COUNCIL

**A Grist of Interesting Items  
From The Simcoe  
Capital**

(From our own correspondent)  
Simcoe, July 10.—The ladies of  
St. Paul's Church donated one dozen  
pairs of pyjamas and Miss Brown one  
pair of socks to the I.O.D.E. There  
were shipped to-day: To Pte. Mur-  
ray Hamilton, 15 pairs of socks; to  
Capt. D. D. Gunton, 30 pairs of socks;  
and to the Canadian Red Cross,  
3 1-2 dozen suits of pyjamas.

**Press Photographs**  
Mr. and Mrs. A. H. Krompart, of  
Dundas, spent the week-end with  
their son, Alderman S. L. Krompart,  
Talbot Street South. Mrs. Krompart  
will remain in Simcoe for a few  
days.

Mrs. Annie McNally and Mr. E. P.  
McNally, of Niagara Falls, are visit-  
ing Mrs. W. A. McIntosh and other  
relatives in town and vicinity.  
Registrar Dr. W. McGuire has  
moved to town and is getting settled  
in his new home on Colborne Street  
South, second door south of Trinity  
Parish Hall.

Fred Brooks is able to be about a-  
gain and was at his usual place of  
business yesterday.  
Miss Pearl Petheram has left the  
office of the Norfolk Milling Co.'s  
feed store and will return to her  
former calling in the wholesale mil-  
linery business in Toronto. Miss  
Luella Thompson has taken her  
former position.

Miss Jennie McKnight, steno-  
grapher with Simcoe Shoe and Mill  
Company has taken a position in  
Hamilton.

Rev. J. M. Perkins and Mrs. Per-  
kins, of Ingersoll, are holidaying at  
the Rectory.

Almost all the Anglican clergy of  
the county, were in town to-day at-  
tending a meeting of the rural dean-  
ery.

Benjamin Birdsell, now visiting the  
Misses Waddle, Young Street, and a  
native of Simcoe, now resident in  
Portland, Oregon, where he has made  
good, is on an extended visit to his  
native county and is renewing old  
acquaintances.

**Some Cucumbers These**

Many who have been admiring the  
squash vines in the Ryerson green-  
houses, may be surprised to learn  
that they are not squash but cucum-  
ber vines. They were grown as an  
experiment with the assistance and  
direction of Arthur West, and  
thousands are now to be seen rang-  
ing from 16 inches downwards in  
length. Quite an unassuming fellow  
Arthur, but he served his apprenticeship  
from youth, as an English gar-  
dener, and then served in the army  
over home. He has been in Canada  
only perhaps five or six years, and  
has already made good in four or  
five lines of occupation. From la-  
bouring in the building business,  
then as a trusted employee of the H.  
S. Ball Store, more recently serving  
as night police, just long enough to  
show how the thing should be done,  
he entered on a fruit and confection-  
ery career somewhat over a year ago,  
and his business has come along like  
the "cucumbers," some of which he dis-  
plays daily in his window. Yes,  
Arthur is some cucumber himself,  
and if you leave your change it is  
put by for you. If you are too long  
about calling for it, it goes as a  
little donation from you to the Red  
Cross fund. Arthur believes it is  
not good business to keep things  
around too long.

**Odd Ends of News.**

Green peas of the 1917 crop, were  
delivered to the factory here first, to-  
day. Usually the peas have been  
pretty well all in by this time in  
former years.  
During the terrific rain and hail  
storm which passed southeastward  
over town yesterday evening, the  
hydro and trolley service was put out  
of business repeatedly. A conflag-  
ration "eastward about" eight  
o'clock indicated that some farm  
building had been struck by light-  
ning.

A team belonging to Wm. Ham-  
bley, of Townsend, took fright while  
being used to the factory here first, to-  
day. A small load of lumber down  
street and took a one mile dash up  
Norfolk street. The horses went one  
on either side of a tree or post, up at  
the gore, and parted. They were  
caught on the way over to Coates'  
ice house.

**FETCHED BIG PRICE**

By Courier Leased Wire  
London, July 10.—A small panel  
painting attributed to Andrea Mant-  
egna, the celebrated Italian painter  
and engraver, of the 15th century,  
representing Judith with the head of  
Holofernes, has been bought for a  
large price by a firm of New York  
art dealers, according to the Daily  
Telegraph. The painting belonged to  
the Earl of Pembroke. The Tele-  
graph is not aware of the price paid  
for it, but says that the Pembroke  
family always valued the panel at  
\$200,000.

**TO BE DETAINED**

By Courier Leased Wire  
Chicago, July 10.—Orders for the  
detention during the war of Hein-  
rich, Orthmann and Peter Baches, on  
the ground that they are a menace  
to the welfare of the nation, have  
been received from Washington, and  
the men are held here to-day pend-  
ing removal to detention camps.  
Baches is said to have admitted a  
part in the plot to blow up a power  
plant at Niagara Falls, in Canada.  
He fled to Illinois, where he was  
apprehended. Orthmann is accused  
of establishing a member of the Illinois  
National Guard during an argument  
over the war.

**Tax Rate Will Be Higher  
Half a Mill**

**Other Matters Discussed By  
The Members**

The tax rate for the current year  
was struck at last night's meeting  
of the Brantford township council,  
in their chambers at the court house,  
and will be 12 mills, one half a mill  
in excess of last year's rate of 11 1/2  
mills. The advance was made neces-  
sary through the increased amount  
of the grant to be made for county  
purposes. The tax will be levied on  
a total township assessment of \$5-  
723,787.00 and will be payable on  
or before the 1st of December, 1917,  
after which date five per cent will  
be added. The amount to be raised  
by direct taxation is \$26,753.10,  
made up as follows:

|   |             |
|---|-------------|
| Ontario War Tax                                 | \$ 4,395.62 |

| Continuances                                    | 1,312.83    |

Statements were received from  
the Canadian Bank of Commerce for  
the surplus and current expense ac-  
counts of the township, showing a  
surplus of \$2,994.11 on the former  
account, and a bank overdraft of  
\$18,434.40 at the end of June on  
the latter account.

The balance of the session was  
devoted to the consideration of rou-  
tine matters.

The township engineer was in-  
structed to investigate the feasibility  
of draining the portion of the Park  
Road from the Hamilton Road to  
Wellington Street, and thence west  
to the Hamilton Road, to a proper out-  
let. He was requested to report to  
the council on the estimated cost.

A resolution, signed by Thos. My-  
ers and eight others, request-  
ing that a concrete sidewalk four feet  
wide be constructed on the south side  
of Mohawk Street, from Cockshutt  
Lane to Minerva Avenue, was receiv-  
ed and filed, to be considered in 1918  
or as soon as possible.

A communication was received  
from the Hydro-Electric Railway As-  
sociation of Ontario and the Ontario  
Municipal Electrical Association,  
protesting against the further grant-  
ing of money to the Grand Trunk  
and Canadian National Railway, by  
the Dominion Government. No action  
was taken by the councillors in this  
regard.

Mr. W. S. Bailey, of the Oak Park  
Stock Farm, Paris, wrote asking the  
council to gravel and roll the road  
in Concession No. 2, from Paris Trail  
to Road westward. He pointed out that  
the road was used by the traffic for the  
Provincial Plowing Match and Tractor  
Demonstration will come over  
this road. This matter will receive  
further attention from the council.

Mr. Eddy, who collects hospital  
accounts for the township, submitted  
a report showing that he had receiv-  
ed \$121.90 from sixteen township  
residents, who had received treat-  
ment at the hospital.

A communication was received  
from the Ontario Treasury Depart-  
ment enclosing a cheque for \$111.33,  
being the balance due the township  
from the railway tax collected by the  
Province, after \$405.16 had been de-  
ducted for the care of 14 township  
patients in public institutions main-  
tained by the Province.

The Ontario Municipal Association  
wrote enclosing a draft of the pro-  
visional programme for the annual  
convention to be held in the City  
Hall, Toronto, during the first week  
of the Canadian National Exhibition.

Several matters of interest to mu-  
nicipalities throughout the province,  
will be discussed and the benefits to  
be derived from affiliation with this  
association were enumerated.

unsuccessful. The French took

Paris, July 10.—The statement fol-  
lows:  
"Yesterday evening the enemy's  
bombardment reached a degree of  
violence in different sectors of the  
Aisne front. Local attacks on trench-  
es north of the Laffaux mill, and  
southeast of Allies were repulsed by  
our fire. Further east, at about 9.30  
P.M., the enemy made a strong at-  
tack on our positions at the Hur-  
bise monument and the Dragon. His  
effort was in vain. Unable to ap-  
proach our line, the enemy troops  
were dispersed suffering severely.  
"Surprise attacks on advanced  
posts southeast of Corbeny, in the  
vicinity of Courcy, in the sector of  
Auberive and near Caubiers wood  
cost the enemy losses and gave him  
no result. A certain number of pris-  
oners remained in our hands. The  
night was calm everywhere else."
