* Quarterly. † Ex dividend. ** 1 per cent bonus.

Stock Exchange Notes.—The stock market has been firm though rather dull. Investment securities are scarce, and some of the highest prices on record were paid. To-day however the Turco Cretan trouble has unsettled all the markets of the world. Consols fell 1/2, but closed stronger. Our own market fell off about 2%, but also closed with a better feeling and very little stock came out.
