

POISONED BY TEA AND COFFEE

Such has been reported in several medical journals, and in many cases fatal. Especially in the young folks who had not yet become accustomed to the poisonous effects of caffeine and tannin contained in teas and coffees. Avoid all drinks that are injurious to the system. Begin using "Rokco Health Drink," which is absolutely pure, wholesome and nourishing, and can be used in any quantity without injury. Cures indigestion and other ailments caused by tea and coffee. "Rokco" is highly recommended by physicians, and all classes of men. Rokco is the original preparation on the market. Do not take bran mash substitutes which are claimed to be just as good. A 10c package of "Rokco" will make 75 cups, and is used at your meals in place of tea or coffee. Rokco also makes a delicious summer iced drink. Rokco looks like ground coffee, but it ain't coffee. Goes twice as far as tea and coffee and only costs half the price, and many ladies say the flavor of Rokco is equal to 40c. coffee. But remember you get 2 lbs. of Rokco for 25c. Ask your grocer for a 10c. package. For sale every where.

Agents wanted every where throughout Canada.
