Awarded The Military Medal

We are glad to announce that one of our men, Lance Corporal J. F. Westlake, was last week awarded the Military Medal which he won on the battle-field several months ago. Though completely buried by a succession of German shells, he stuck to his machine gun and poured a hail of bullets into a Hun attack. His action certainly resulted in checking the enemy advance on that part of the trench and saved many of his comrades.

The Clansman takes pleasure in extend-

tending the most sincere congratulations.
