The Senate of Canada

Mr. H. S. Kerr,
926 Martin St.,
Three Rivers, Que.

Dear Mr. Kerr:

Answering yours of 1st instant,
I have many times got into touch with the
Minister of Defence, but have never had an
affirmative reply from him to any request.
I absolutely know that if I mentioned to him
any such subject as you have brought to my at-
tention, he would immediately say that that is
a subject for the Research Council.

Yours very truly,

AM/E.

Arthur Meighen.
