

152289.

Ottawa, 19th May, 1905.

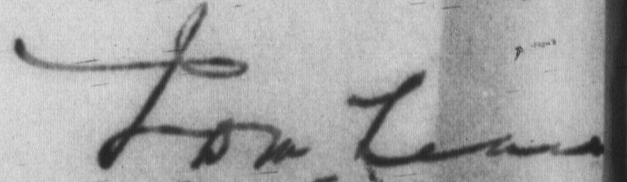

Sir,-

I am sending you per express two transits  
" a 4" and 6" " for repairs.

The 4" requires a new foot plate. It may  
also require other small repairs.

The 6" works very stiff and it would be  
well to overhaul it generally with a view of making  
it move easily. When completed, please return the  
instruments to this Department.

Your obedient servant,

Secretary.
