

NEW WESTMINSTER AGENCY: EXHIBITS.

Exhibit.....B.14.....Received.....At.....

Qx5
29/11/14

- We the Katsey Indians of the Stalo lay our grievous grievance before the Royal commission, the grievance which has been standing unsettle for many years passed, we ask this commission to assit us in securing better and larger farming land then at the present time.
- 1 We request that our farming land be enlarged to a 160 acres for each male member or from the age of 16 up.
 - 2 We wish to add to what is fore said an equal exchange of 135 acres of the Barnston Island Reserve to this Reserve. and an exchang of 300 acres of the Pitt Lake Reserve to this Reserve.
 - 3 Allow me to complaine to you the loss of 84 acres on this Reserve. according to the blue book is 385 acres, and on the maps is 301 acres, the total loss is 84 acres.
 - 4 We ask for the obtaining of a permanent and fullrights to be acknowledged by the Government as such ownership of our prerent Reservation and of such land as may be added there to.
 - 5 We ask the Dominion Government to assist us in through, and from them to get a written agreement for all our claims. We hope that this commission will complete their work and come to a settlement with the Indian in the near future

Chief Joseph Isaac
