

2. The said Register shall be closed on the last day of November in each year, and no tickets obtained from any of the Professors shall be received without previous Enregistration.

3. No one shall be admitted to the Degree of Doctor of Medicine and Master of Surgery, who shall not either:—1st, have attended Lectures for a period of at least four six months' sessions in this University, or some other University, Collège, or School of Medicine, approved of by this University; or 2ndly, have studied medicine during at least four years, and during that time have attended Lectures for a period of at least three six months' Sessions, either in this University, or some other University, Collège, or School of Medicine, approved of by this University.

4. Candidates for the final Examination shall furnish Testimonials of attendance on the following branches of Medical Education, viz :—

|                                                      |   |                                                                              |
|------------------------------------------------------|---|------------------------------------------------------------------------------|
| <i>Anatomy.</i>                                      | } | <i>Of which two Courses will be required, each of six months' duration.</i>  |
| <i>Chemistry.</i>                                    |   |                                                                              |
| <i>Materia Medica and Pharmacy.</i>                  |   |                                                                              |
| <i>Institutes of Medicine.</i>                       |   |                                                                              |
| <i>Principles and Practice of Surgery.</i>           |   |                                                                              |
| <i>Midwifery and Diseases of Women and Children.</i> |   |                                                                              |
| <i>Theory and Practice of Medicine.</i>              | } | <i>Of which two Courses will be required each of three months' duration.</i> |
| <i>Practical Anatomy.</i>                            |   |                                                                              |
| <i>Clinical Medicine.</i>                            |   |                                                                              |
| <i>Clinical Surgery.</i>                             | } | <i>Of which one Course will be required, of three months' duration.</i>      |
| <i>Medical Jurisprudence.</i>                        |   |                                                                              |
| <i>Botany or Zoology.</i>                            |   |                                                                              |
| <i>Practical Chemistry.</i>                          | } |                                                                              |
|                                                      |   |                                                                              |

Provided however that Testimonials equivalent to, though not precisely the same as those above stated, may be presented and accepted.

5th. The Candidate must give proof by ticket, of having attended during twelve months the practice of the Montreal General Hospital, or that of some other Hospital approved of by this University.

6th. He must also give proof by ticket, of having attended at least six months the practice of the University or other Lying-in Hospital approved of by this University, and of having attended at least six cases of accouchement.

7th. No one shall be permitted to become a Candidate for examination who shall not have attended at least One Session of this University, and one full course of all the branches included in its curriculum.

8th. Courses of less length than the above will only be received for the time over which they have extended.

9th. Every Candidate for the Degree must on or before the Fifteenth of February present to the Dean of the Medical Faculty testimonials of his qualifications, entitling him to an examination, and also a Thesis or Inaugural Dissertation, written by himself, on some subject connected with Medical or Surgical Science, in the Latin, English or French Language. He must at the same time deliver to the Dean of the Faculty the following Certificate :—
