LIVE STOCK

Cattle receipts have been moderate this last week, and prices are on about the same levels as ruled the previous week. Wholesale dealers and packers are beginning to wonder if people are becoming more facilities in their tastes. For several months aw, even when cattle were runusually acade high in price, they unusually searce and high in price, the have found difficulty in disposition of the have found difficulty in disposition. It is not a search of the control 81.50 to \$2.50.

The small number of dairy cows offered

The small number of dairy cows offered have been of an unusually good quality, and prices have advanced accordingly. The small number of the dairy cows of the control of t
