#### THE NOTED GARDHOUSE HERD.

Handed down from father to son for three generations, the noted Shire stud, Shorthorn herd and Lincoln flock, of John Gardhouse & Sons, of Weston, Ont., have held their high standard of excellence for many decades, and to-day, after all these years, are very much stronger than ever before. Although for many past years turning out their full quota of winners at the Toronto and London Exhibitions, this year's candidates for honors will be found a little stronger than in any past year, and this is applicable to both the Shires and Shorthorns. Of the former, the splendid two- and three-year-old fillies are extra good. Bred from champions on both sides, they show it in their fine quality and draftiness, which is also applicable to a particularly choice two-year-old stallion, Watnall King, whose sire and dam were both Toronto champions. The Shorthorns, as a herd, in the matter of breeding, quality, and modern type, are unsurpassed by any other herd in the country. Numbering some eighty head, imported and bred from imported stock, they present the ideal attained after many years of careful and systematic breeding, and, as stated above, the contingent fitted for this year's shows are up to a high standard. There will be a full quota of junior and senior herds out, and all interested should look them up at Toronto and London. The flock of Lincoln sheep are, as usual, up to the standard, and for sale are shearing rams and ram lambs, also ewes.

#### HIGH-CLASS SHORTHORNS BY AUCTION.

A. G. Smillie, two miles from Hensall Station, on the G. T. R. line from London to Wingham, has sold his farm, and on Friday, Sept. 18th, will sell by auction his entire herd of twenty-nine Shorthorns. There are fourteen cows in calf, four yearling heifers, six heifer calves, four young bulls, and the stock bull, Golden Edward 90499, a roan rising two years of age of a type and quality fit to head any herd in the country, sired by Nonpareil King 79819, dam Golden Flower (a Cruickshank Brawith Bud), by Prince Gloster. A combination of the blood that courses through the veins of this bull, Nonpareil, Brawith Bud and Duchess of Gloster, is among the best known, and must necessarily show itself in reproduction. All the females of breeding age are in calf to him. The young bulls to be sold, and the younger heifers, were sired by Bandsman's Model 88661, by the Cruickshank Butterfly bull, Imp. Bandsman, dam Cranberry Lass, by the Princess Royal, Imp. Greengill Victor. This, too, is right choice breeding. Preceding him in service, and the sire of many of the younger females, was Royal Brand, a Charlotte-bred son of Imp. Blood Royal. Ahead of him again was Scottish Signet, a Jilt-bred son of Imp. Old Lancaster, dam Scottish Queen (imp.). Still farther back was Sailor's Peer, a Mildred-bred son of Imp. Scottish Peer, dam by Imp. Royal Sailor. The breeding line of the female side of the herd is Scotch and Scotch topped. Of the latter, the majority of them trace to Young Mary (imp.) 557. They are a big, thick lot of cows, ranging in weight from 1,600 to 1,700 lbs. and over. Two of them were officially tested in R. O. P., and both qualified. Another ran three months and took sick with stomach derangement, which spoiled her test. She was doing extra well. On blood lines, the others are pure Scotch. It is seldom indeed that so choice and uniformly thick-fleshed a lot of cattle are seen in one herd. All are in the best kind of condition, and only two are over six years of age. Every one of them of breeding age is a regular breeder, and all are right in every way. The young bulls, averaging along about nine and ten months of age, are a splendidly-balanced lot, straight in their lines, and in good condition. On the whole, no one will be disappointed in the quality of these cattle, which will positively be sold on the day of sale. Conveyances will meet all morning trains from London on the south, and Kinardine and Wingham on the north. Write for catalogue to A. G. Smillie, R. R. No. 2, Kippen, Ont. Capt. T. E. Robson, of London, will conduct the sale.

## The Canadian Lawyer

OR  
How the Farmer Can Keep Out of Law Suits

The "Canadian Lawyer" is a book that will protect the farmer against the sharp practice of agents or any person else, who might like to get him into a tight place. It is just what farmers of Canada have been looking for, for some time. It gives the most important provisions of the Laws of the Dominion and of each of the Provinces. The information is given in simple, everyday language, so that farmers will be able to do a great deal of their own business strictly in accordance with the law, without having to pay each time for a little bit of ordinary advice.

It also gives simple and correct Forms for the preparation of all kinds of legal documents that a farmer would ever have occasion to use. Chattel Mortgages and Bills of Sale are explained fully—how to make them, the law in regard to them, and when to use them. Similar information is given regarding Cheques, Liens, Notes, Land Mortgages, Promissory Notes, Receipts and wills; Instruction as to Exemption from Seizure for Debt; the Law in regard to Live Fences; the use and form of Powers of Attorney; the Law in regard to Trusts and Trustees, and in fact everything else that a farmer would require to know.

The book contains 153 pages, price \$2.00 in good cloth binding, and will be sent, postage paid, when cash accompanies the order. Send your order direct to the publishers:
