ting. **R. J. & A. LAURIE, Wolverton, Ont.**

GOSSIP.

MR. W. D. FLATT'S SHORTHORNS.

On his neat and well-appointed "Trout
Creek" farm, on the Guelph road, six miles
from Hamilton and near the Village of Mill
Grove, Ont., Mr. W. D. Flatt has established
an excellent herd of some 40 head of superior
Shorthorn cattle, which have been bred and
selected with care, and which represent a
number of standard families of good repute,
most of them directly descended from well-
known and proved importations from Scot-
land and England, and all having excellent
pedigrees, topped with high-class Scotch-bred
bulls of the modern type, resulting in a herd
of uniform appearance and character, all
being of the low-set, thick-fleshed, early ma-
turing stamp so much in demand at the present
time, while the milking qualities have not
been neglected, many of the matrons of the
herd showing unmistakable indications of
being large milkers, both by their own con-
formation and by the grand condition of the
calves they are nursing, which are as promis-
ing a lot as we have seen anywhere.

That Mr. Flatt is enterprising, and that his
ambition is to secure the best at any reason-
able cost, has been evidenced by his purchases
at the spring sales of 1898, where he has paid
the highest prices for his choice of the offer-
ings; and that he regards a first-class sire as a
superlative factor in maintaining the charac-
ter of a herd was attested by his plucky
bidding for his choice of the imported bulls at
the Markham sale, in March, when, in com-
petition with leading breeders from Canada and
the United States, he secured, at \$720, the
handsome and symmetrical Golden Drop bull,
Golden Fame, a general favorite with the
critical company present at the sale, the high-
est-priced bull of the day, and, indeed, the
highest-priced Shorthorn bull sold in America
in recent years, so far as we know. Golden
Fame was sired by Emancipator (65417), a
prize bull at Perth, by Dauntless, bred by Mr.
Cruikshank, Sittytown, a great show bull and
sire, and was out of Golden Drop 10th, by
Sittytown Sort, said to be one of the very best
cows in Aberdeenshire to-day and an uncon-
quered milkmaid and breeder. As an evidence
of the excellence of Golden Fame and his
breeding it is only necessary to state that Mr.
Duthie, of Collynie, bid for him at the sale in
Scotland, and was loath to lose him to Great
Britain. The Golden Drop family has long
held a high place in the estimation of Short-
horn breeders, and has produced many prize-
winning animals, prominent among which was
the Provincial prize-winning cow, Golden Drop
1st, sold at Mr. Snell's dispersion sale, in 1874,
for \$1,225, and her yearling daughter for \$1,000.

The second bull in the herd is the rich roan,
Crimson Knight—26077—, of the favorite
Scotch-bred Crimson Flower tribe, by Canada
—18536—, a Tormentor, by Clan
Stewart—14381—, 1st prize three-year-old at
Toronto in 1893, by Muscatel, a son of the
imported Cruikshank Victoria bull, Vice-
Consul, winner of the championship at Toron-
to Industrial Exhibition. The dam of Canada
—18536—, Bonny Jean, was by the great prize-
winning sire, Barmston Hero, by imp. Royal
Barmpton, out of imported Mimulus, both
bred by A. Cruikshank, Sittytown, and the
dam of Clan Stewart was Village Bud, out of
the imp. Cruikshank Village Blossom, of the
same family as Young Abbotsford, winner of
the championship over all beef at the
World's Fair at Chicago. A combination of
the blood of several of the best families
known courses the veins of Crimson Knight,
and he does credit to his forbears by the
smoothness of his contour, and the quality of
his flesh and hair, which is all that could be
desired.

Prominent among the females of the herd
are the members of a quartette of red cows
with calves at foot, representing the favorite
Strathallan family, descended from imported
Rose of Strathallan, by "Allan" (21172), a first
prize winner at the Highland Society's Show,
and a son of the great show bull and sire
"Forth," winner of first prize at the Royal
Show at Newcastle in 1884. Those who re-
member the imported cow and have followed
the history and record of the family since the
sixties will freely concede to them a high
standing among the aristocracy of the breed,
and visions of the long line of prize-winners
and champions they have produced will in-
voluntarily come to mind, including the stately
Lord Strathallan; the Peerless Lady Strath-
allan, invincible in the hands of the Millers,
of Brougham, and the Sniders, of German
Mills; and the matchless Strathearn, sold for
more money at Luther Adams' great sale, in
Iowa, than the famous imported Cupbearer.
The records, we believe, will show some ten
or twelve championship prizes credited to
members of the family at State and Provincial
fairs.

Of the four Strathallan cows in the Trout
Creek herd, Daisy of Strathallan 15th was the
highest-priced cow in the Simmons dispersion
sale, being knocked down at \$325, and after-
wards purchased by Mr. Flatt at an advance
on this price, the three cows of the family
bought at that sale costing him an average of
about \$275. The Daisy of Strathallan 11th,
13th, and 14th, and Lady Strathallan, are
lengthy, low, level and smooth, and show fine
breed character, as one would expect from
their pedigrees, which in their top crosses
show the names and the benefit of the blood of
such richly-bred and finely-formed bulls as
Royal Saxon, Vice-Consul, Barmpton Hero,
Indian Chief, Red Knight, Excelior, Mina
Chief, Victor Regalis, The Doctor, and many
others of similar stamp, besides the firm
foundation of their earlier ancestors.

Crimson Jewel 2nd, by the imported Kin-
ellar bred bull, Hopeful (5903), is a large and
finely-finished red cow of the Crimson Flower
tribe, the dam of the young bull, Crimson
Knight, referred to above, and is a daughter
of imp. Red Knight, by the Victoria bull Ver-
mont, bred by Mr. Cruikshank. Red Em-
press 3rd, a handsome and symmetrical three-
year-old cow, by Kinellar 2nd (18569), dam
by the Sittytown-bred Baron Lenton, and her
yearling daughter, the Roan Betty family, of
Kinellar extraction, and through the sire of
the former get the benefit of the blood of the
Cruikshank bulls, Barmpton Hero and Royal
Barmpton, and through his dam trace to im-
ported Matchless 16th, bred at Sittytown. Mina
2nd, a rich roan two-year-old heifer, by Royal

Saxon, a first prize winner at Toronto, a son of
imported Excelior (51233), and of Matchless
19th, by the imported Nonpareil bull, States-
man, represents the Mina family of Kinellar,
and is out of Mina, by Mina Chief, by import-
ed Indian Chief, progenitor of a long list of
prize-winners. The red and white two-year-
old Lady Blithe, by the imp. Cruikshank
bull, Prince Royal—6418—, traces to the im-
ported Scotch-bred Miss Syme, and has for
grand sire Sir Ingram, by Ingram's Chief, by
the Royal winner, Sir Arthur Ingram, whose
sire, Master Harbinger, was also a Royal
winner. Jolly Jill 2nd is a smoothly-formed
three-year-old of fine character, sired by
Royal Saxon—16737—, by the Sittytown-bred
Baron Lenton, and out of imp. Charlotte, bred
at Kinellar, and tracing to imp. Juliet, by
Gladstone. Miss Ducie, a roan five-year-old,
was the highest-priced cow at the dispersion
sale of Mr. James Hunter's herd, while her
yearling daughter, Miss Canada, realized the
highest price for yearlings at that sale. She
has for sire The Baronet, imp., and for grand-
sires, Sir Ingram, Socrates, and Baron Booth
of Killerby, by imp. Knight of Warley, and
traces to imp. Miss Syme.

The ever-popular *Rosa Duchess* tribe, rich
in the blood of the best of the Duchess and
Oxford tribes, is represented by the 62nd and
74th of that name, and they show their good
breeding in their handsome heads and breezy
appearance, both having for grandsire the
famous imported 4th Duke of Clarence, a
sweepstakes winner at Provincial and State
shows, and one of the greatest bulls of his day.
The last named has for sire Kinellar 2nd, a
son of Mysie of Kinellar 4th, by Hubert
—5114—, by Barmpton Hero. *Duchess of Lin-
coln* 2nd is a five-year-old daughter of im-
ported *Duchess of Lincoln*, and of Ingram
—14572—, by imp. Ingram's Chief, by the Royal
prize-winner Sir Arthur Ingram, and is a sub-
stantial stamp of cow, of good quality. Space
forbids special mention of a score or more of
uniformly good young cows and heifers of
standard sorts, topped by high-class bulls of
modern type, carrying a fine quality of flesh,
combined with good milking proclivities and
good feeding qualities, which go to make up
one of the best all-round herds of cattle it has
been our privilege to review, and which, in
the hands of the enterprising and enthusiastic
owner, we feel sure is bound to make its mark
in the history of Shorthorns in Canada.
Mr. Flatt, who has his home in Hamilton,
also breeds and deals in high-class harness
horses, and will cheerfully meet visitors, if
notified, at either G.T.R. or C.P.R. station,
and convey them to the farm behind a horse
of no mean mettle.

Barred Plymouth Rocks & Pekin Ducks

(EXCLUSIVELY).
Stock and eggs for sale from imported and
best Canadian strains. Farm-bred and very
vigorous. Eggs, \$1 per 13.
**MISS P. J. COLDWELL,

If West's Fluid...

If properly used it is a positive pre-
ventive for such diseases as contagious
abortion and hog cholera, as well as the
best known treatment for scab, ticks
and lice in sheep, fleas and lice on dogs
and poultry; and a most effectual disin-
fectant, simply because it is a strong
antiseptic and destroys the germ upon
which such conditions depend, and does
not contain corrosive or irritating prop-
erties.
Price per gallon, \$1.50; 5-gallon can,
\$6.50. Special price in barrel lots.
Circulars containing all information as to
use, etc., upon application to—
