IMPURE BLOOD:

The blood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the flood perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountain head of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tipy rivulet, is a few minutes the whole course of the stream becomes disturbed and discolored. As quickly does impure blood fit to every part, and leave its sting behind. All the passages become obstructed, and unless the obstruction is removed, the lamp of life soon dies out. These pills not only purify the blood, but reconcrate all the secretions of the body; they are, therefore, unrivalted as a ? The blood is the life! and when any foreign or unhealth;

AYER'S CATHARTIC PILLS.

Are you sick, feeble, an omplaining? Are you out complaining? Are you out of order, with your system de-ranged, and your feelings un-comfortable? These symp-toms are often the prelude t serious illuess. Some fit of statement is company upon your

the obstructions which make disease. A cold settles somewhere in the body, and elstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-easted and daugerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.
Statements from leading physicians in some of the principal cities, and from other well known public persons.

From Dr. E. W. Curturight, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any exthartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily Headache, SickHeadache, Foul Stomach

As a Family Physic.

DEAR BIO. A YER: I cannot answer you what complaints
I have cured with your Pills better than to say all that see
ever treat with a purgative medicine. I place great depondence on an effectual cathartic in my daily contest with
disease, and believing as I do that your Pills afford us the
best we have, I of course value them highly. DR. J. C. ATER. Sir: I have been highly.

DR. J. C. ATER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul atomach, which they cleanse at once.

Yours with great respect,

Clerk of Steamer Clarion.

Bilious Disorders - Liver Complaints. Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Fills admirably adapted to their purpose as an aperiant, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., Th. Feb., 1856.

Siz: I have used your Fills in my general and hopital practice ever since you made them, and cannot hesitate to say they are the best cathertic we employ. Their regulating action on the liver is quick and declied, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.

Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for beliens dysentery and diarrheas. Their sugar-coating beliens dysentery and diarrheas. Their sugar-coating ballons them very acceptable and convenient for the use Dyspepsia, Impurity of the Blood.

Prom Rev. J. V. Himes, Pustor of Advent Church, Boston.
Dz. ATER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Constipation, Costiveness, Suppression,
Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Pits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of
costiceness. If others of our fraternisy have found them
as efficacions as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from
that complaint, which, although bad enough in itself, is
the progenitor of others that are worse. I believe conticeness to originate in the liver, but your Pills affect that
organ and cure the disease. From Mrs. E. Stuart, Physician and Midwife, Boston I find one or two large done of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the sionach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

Prom the Rees. Dr. Haubices, of the Methodist Epiz. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

Hosored Str. I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating searalgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackennie, I tried your Pills. Their effects were alow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855. Dr. AYER: I have been entirely cured, by your Pills, or heumotic Gout—a painful disease that had afflicted un r years. for years.
