

SEED GRAIN For Sale

OATS — "VICTORY" ("SEGER" IN Swedish)—Bred by Prof. Nilsson, Svalof, Sweden. First introduced to the West by Steele, Briggs. In 1909 we procured from the breeder, tested for two years—proved it a great oat—and have supplied our trade every year since. Two lots this season, both grown on our own farm in Saskatchewan. "A" from seed we imported direct last year. "B" from our original importation. Yield 120 bushels per acre. 95c and 85c per bushel respectively, in ten bushel lots, bags included. Steele, Briggs Seed Co. Limited, Winnipeg. 5-2

MARQUIS WHEAT—GROWN ON OUR OWN 2,482 acre seed farm, from our own selected stock seed. Put through our specially constructed seed cleaning machinery. Get the genuine seed. Sold subject Money Back Guarantee. Harris McFayden, Farm Seed Expert, Winnipeg, Manitoba. 7tf

WHEN OFFERED VICTORY OATS OR other new breeds said to be from Prof. Nilsson, the world famous plant breeder, insist on getting the genuine stock and a statement of the year of introduction. Remember, the latest stocks can be obtained only through Harris McFayden, Farm Seed Expert, Winnipeg, exclusive Canadian agent, who imports special "Elite" stocks, from which seed is grown for sale the following season. This is most important, as, owing to the great popularity of these new breeds there appears to be a disposition on the part of some seed houses to attempt to cash in on it. I keep a record of every shipment sold, and shall be pleased to inform any enquirer as to the genuineness of any lot offered. 7tf

HAVE YOU HEARD ABOUT SEGER OATS—the new breed introduced from Sweden? It has certainly done wonders. Get to know about it. Write Harris McFayden, Farm Seed Expert, Winnipeg, Man. 7tf

GET A GALLOWAY

Unqualified satisfaction guaranteed, plenty of time given to satisfy yourself, and it is sold direct from our own factory to your farm with one small factory profit, so that you save from \$50 to \$300, depending on the size engine you buy. That money stays right in your own pocket and you get a better engine.

The Galloway is the most practical engine. It has built into it the engine experience of 30 years. It's the simplest, easiest understood, and therefore free from expensive stoppage for any reason.

My best proof is the fact that tens of thousands of farmers call the Galloway engine the simplest, easiest operated, and best engine they ever saw. They bought it after considering the merits of every other engine in the market, and after years of use, they pin their faith to the Galloway.

You want to try a Galloway at my risk. I guarantee to ship promptly. I warrant it will arrive in good condition. I guarantee that you can operate it easily, and I promise you faithfully if in any way you are not pleased with the engine I will refund you all your money, pay the freight both ways and take the engine back to Winnipeg. Better still, I have a special proposition which I would like to make you by which you can partly or entirely pay for your engine. Write today for my new catalog.
