The Evening Parade. Such crowds on the streets as were seen early last evening have never before been seen in Rossland. Every one remarked, too, the hundreds of tastefully dressed women who were on the sidewalks and led everyone to remark that Rossland was no longer a mining that Rossland was no longer a mining that Rossiand was no longer a mining new sawmills are also well in hand, and offensive to the Trail people, and after camp in the ordinary sense, but rapidly new sawmills are also well in hand, and offensive to the Trail people, and after becoming a city of refined homes.

The attraction for this great crowd of promenaders was a parade made by the Silver Cornet band in their new uniforms. Not that the uniforms attracted very much attention, except for their neatness, but the music given by the band was something of a pleasant surprise. There were 13 pieces in the band, and the well-chosen selections they gave erty is expected to arrive on Monday, would do credit to any band in any city. The crowds were exceedingly compli-

The Closing Event. The day of celebration was fittingly brought to a close by a ball given at Do-minion hall by the bachelors of the city, have made examinations on the Apex being made in certain districts of the and it may be assumed that they made a group and the Blackcock, while John a goodly showing as to numbers. There were plenty of pretty girls, too, and the ball was in every way enjoyable.
