## Nuptial Notes

**WOOLLEY-HUSSEY**  
A very happy event took place at the home of Mr. and Mrs. Frank Hussey of Mt. Pleasant on Wednesday, Dec. 28th, when their third daughter, Viola, became the bride of Mr. Wallace Woolley, the Rev. Mr. Cole officiating. Promptly at one o'clock the bride, leaning on the arm of her father, entered the drawing room, to the strains of Mendelssohn's wedding march, played by Mrs. Cole. The bride looked very charming in a gown of white embroidered voile and carried a bridal bouquet of roses and lily of the valley. After congratulations the guests sat down to a sumptuous wedding dinner. During the signing of the registry, Mr. Orval Hurlbert of Detroit, cousin of the bride, sang a very appropriate solo. The bride was the recipient of many beautiful gifts, including a diamond crescent, gift of the groom, and a substantial cheque from her father. The happy couple left on the four thirty train for Detroit and points west, amid showers of confetti and good wishes of their many friends.

**FROST-LINDSAY**  
On December 24th at the First Baptist Church, a very quiet, but pretty wedding took place when Miss Jean Mortimer Lindsay, of Sterling, Scotland, youngest daughter of Sergeant Major Lindsay, was united in marriage to Mr. John Edward Frost, of this city, formerly of Wimbledon, England, and now a member of the 125th Battalion. After January 1st they will be at home to their many friends in Cairnsville. Rev. Mr. Brown performed the ceremony.

## Do You Get Pure Clean Milk?

You get nothing else from us. Pasteurization makes it as clean and pure as deep spring water. Did you ever stop to think about the old cans and half-washed bottles which milk is often delivered? Not here, though, because every bottle leaving our building is sterilized.

## PRIZE LIST OF S. S. PUPILS AT GRACE CHURCH

Children, Senior School and Bible Classes Entertained.

PRESENTED AN INTERESTING PLAY

On Tuesday afternoon the kindergarten held their annual Christmas tree in the school house. After games and tea, Santa Claus arrived and distributed presents. Mrs. A. J. Wilkes and Miss Torry with their helpers are to be congratulated on the success of the afternoon.

On Wednesday the main school and Bible classes held their entertainment after tea for the success of which Miss Lucy Laborde deserves great credit. The Sunday school pupils presented a play, "The White Call," or "The Pursuit of Wisdom and Understanding." It was a splendid success and most creditable to Miss Mac Roberts, and her helpers who were responsible for it.

**SECRETARY'S REPORT.**  
The secretary-treasurer of the Sunday School Mr. G. W. Moore presented his report stating that the average attendance was 83 per cent. of the total enrollment, a showing that few other Sunday schools could make. He also spoke of the success of the "League of Worship," in getting the children to attend church. He mentioned the large gifts of the S. S. to Missions and stated that the prizes were given for attendance, conduct and lessons.

The Superintendent, Rev. Paterson-Smythe, thanked the teachers for their loyal support during the year; and pointed out how the miserable accommodation that the Sunday school had to contend with, had crippled the work.

God Save the King brought a most successful evening to a close.

The prizes were given by Mrs. M. E. Nelles as follows:

## Hockey

A war emergency committee was recently appointed by the Belfast corporation at the suggestion of the board of trade to interview Belfast coal merchants and endeavor to secure a reduction in the price of house coal. The coal merchants have announced, however, that the prices are to be advanced, bringing the price of best coal to 38s per ton. Merchants declare that this is not a slap in the face for the new committee, and that they will derive no pecuniary benefit from the advance.

The farmers in Ulster are still receiving very high prices for their flax, and it is evident that owing to the continued shortage of the supply of flax from Russia and Belgium the prices will still further advance. At the Coleraine flax market less than 50 tons of flax offered for sale, brought \$50,000. In view of the prospect of high prices next year, many Ulster farmers are preparing to sow a much greater quantity of flaxseed during the coming spring.

A change in the system by which the official notifications are made to relatives of officers who are admitted to home hospitals from overseas is announced by the War Office. Hitherto the hospital has sent the name of the officer to the War Office, and the War Office have then telegraphed to the next of kin, with the result that in many cases the relatives have been informed unofficially before the War Office have received the information. In future steps will be taken by the officers in charge of the various hospitals to ensure that the relatives are notified of the fact of their admission to hospital by themselves or by the hospital authorities on their behalf immediately after their admission. The only cases in which notification will be made through the War Office will be to the relatives of officers, who on admission, are unfit to inform the medical authorities of the name and address of their relatives.

Seattle is to have a real estate exchange. Andrew Carnegie's health is rapidly falling. Omaha will limit the number of its saloons to 350. Kansas City, Mo., prohibits opening barber shops on Sundays. Trade between the United States and Mexico is being rapidly revived. The Folly Theatre in Detroit has been closed by order of Mayor Marx. Omaha will this winter arrest all vagrants and apply the "work test." Theodore Roosevelt awaits a call to lead the Republican party, Washington hears.

## HOCKEY GAME ON HOLIDAY ENDED IN DRAW

Brantford and Aura Lee Fought Out to 2-2 Finish.

ICE WAS IN VERY BAD SHAPE

Locals Show Up Well and Have Fast Forward Line.

Under rather dismal circumstances, but with happy results, the opening of the hockey season took place at the rink on New Year's afternoon. The weather was rainy, the ice was covered with water and as a result the crowd was small, not over 100 people gathering at the game. The local intermediates had as their opponents the Aura Lee team of Toronto, practically last year's Varsity Junior champions. In spite of the poor ice and in spite of the fact that the locals started off minus Summerhays in goal and Johnson on the defence, the game, specially in the second and third periods, was quite fast. Brantford only had six men during the first period, and as a result it was played six men side. The second and third periods saw seven men a side and the last period saw Summerhays in goal, so there were plenty of changes during the contest.

Brantford has a real team. Their defence, naturally, was more or less shot to pieces, but their forward line is fast, aggressive and tricky. They all check back in good style, and if only the shooting improves, will be a dangerous offensive. The shooting was off on Saturday, but at that Wilkinson in goal for the visitors was in wonderful form and turned aside dozens of shots from close in.

Brantford had two-thirds of the play, the Toronto forwards, rarely breaking away. As a matter of fact Aura Lee should not have scored at all. During all the first period the Brants pressed repeatedly and it was only at the end of the period that a long shot from centre ice leaked past Brabbs.

From a mix-up in front of the goal the visitors notched another immediate after the second period started. That got the locals' blood up and they tore into the game, fairly smothering their opponents. Freeman poked one in.

The game was a real test of strength out of them when it came to shooting. Summerhays was in goal for Brantford this period and handled all that came his way making two or three beautiful stops. The game was clean. There were a few trips, but the heavy ice was chiefly accountable for that. With good ice Brantford looks as if they have a team fast enough to go pretty nearly to the finals.

**The line up:**  
Aura Lee—Goal, Wilkinson; defence, Sheldon and Wright; forwards, centre, Reber, left, Little; right, Webb; rover, Gouinlock. Brantford—Goal, Brabbs; defence, Slemin and Hurley; centre, Lloyd; rover, Beckwith; right wing, O'Connor; left wing, Freeman. Referee, Jack Kelly.

## 1916 JANUARY SALE 1916

## Of Importance

WE are about to enter upon the last month of the largest year's business in the history of this store, and in order to make January's business the largest of the year we have bought and placed in stock \$25,000 worth of merchandise, consisting of Dress Goods, Silks, Linens, Cottons, Prints, Hosiery, Gloves, Carpets, Rugs, etc., which have all been procured three to six months ago, before the advance in prices. **THE OLD QUALITIES AND DYES AT THE OLD PRICES**, thus showing a saving of at least 25 per cent. on the present market prices. And along with this our winter stocks of Dress Goods, Coats, Underwear, Blankets, Comforters, etc., which we are prepared to sell at big reductions in order to clear out all winter goods. In face of the fact of the advanced prices and scarcity of goods, this sale should be of extraordinary interest to the buying public. Prices and quality speak for themselves.

## ANGLICAN MISSION OF ECHO PLACE

The scholars of the above had a very enjoyable time on Wednesday, Dec. 29th, when their annual Christmas tea and entertainment took place.

They met at the mission house at 3.30 for games, etc., after which, through the kindness of the members of the Ladies' Aid and their friends, a very bountiful tea was partaken of.

At 7 p.m., the entertainment commenced, and great credit is due to all the children who took part. It was gotten up by themselves at their own homes, the teachers not knowing where to take part. For over an hour they entertained and showed great talent. The Rev. W. Stout gave them great praise for the way in which they did everything, he himself bringing it to a very happy conclusion by reciting one of Longfellow's poems entitled "Grandfather's Clock."

Prizes were then distributed to those who had most marks for attendance, good conduct and lessons.

The names of the fortunate ones were Elizabeth Elliott, Marion Hazell, Nellie Partridge, Louisa Hazell in the 2nd class, and Ada Partridge, Ted Money, Greck Money, Hilda Barnes, Ada Barnes in the primary class.

Mr. Stout has promised a prize for every child who attends regularly during the coming year.

Miss Goodman of Paris, a former teacher of the primary class, sent crackers for each child, and they were also presented with a bag of candies, nuts and an orange, and all agreed that they had spent a very pleasant afternoon and evening.

The sudden deaths of five Cambridge and Brighton children within five days and the serious illness of several others from a mysterious malady is under investigation by the Boston health department.
