SCHOOL CHILDREN OF WASTE PA

Excellent Results From Campaign Throughout City Parade Was Very Well Attended

While Kaiser Wilhelm may entertain very little respect for "pieces of paper," the school children of Brantford yesterday demonstrated very clearly that they are not so constituted for hundreds of them made from their respective schools... the market square yesterday afternoon carrying with them paper magazines, bottles and rubber articles in bundles, in bags, on their way and in every conceivable manner. Mr. H. Howie, chairman, and Mr. A. Powell, secretary of the conservation of waste committee of the League, and Mr. Chris. Cook, chairman of the Thrift League, accompanied the school children as they marched up to the Market and posted their burdens. The respect of the business men was not of expectations, but very few of the marching with the school children as had been planned.

The accumulation center on Market was located on the vacant space adjacent to the waiting station of the corner of Market and Colborne Streets and as the waste was packed up by the children, it was packed to sacks, and placed on the way which were in readiness to convey to the dump.
