A Fly Spray.

A good fly spray can be made from 4 1/2 quarts coal tar dip, 4 1/2 quarts fish oil, 3 quarts coal oil, 3 quarts whale oil, and 1 1/2 quarts of tar.

Dissolve 3 lbs. laundry soap in water, add the ingredients of the spray and bring the whole up to 30 gallons with lukewarm soft water. This spray will keep off the flies and prevent the coats of the animals from becoming harsh.

The cows should be sprayed twice a day—in the morning after milking and in the afternoon when in the barn for silage of green feed. Thirty gallons of mixture will spray 40 cows twice a day for ten days.

September Notes.

Peonies should be divided and reset during September or October.

Do not forget to lift some of the geraniums, salvia, asters, or other plants in the yard or garden. They will bloom in the window this winter.

A drain tile set over each plant is a good method of blanching celery. Celery for winter storage should not be blanched before putting in the cellar.

Plant tulips in the garden or border the last of September or early October. Tulips, narcissus, crocuses and hyacinths planted now in pots or boxes and put in a cool place will give good flowers next spring.

Place squash on shelves in a dry room near the furnace or in a warm attic room. They must not be in a damp or frosty place. They will stand a great deal of heat and dry air, but little moisture. If you want squash or pumpkins to keep well, handle them carefully so they are not bruised.

Dahlia, cannas, gladioli, etc., should be dug and stored after the foliage has been killed by frost. The first part of October is usually the time.

Try to arrange a change of pasture for the sheep. Changing the pasture as frequently as possible minimizes losses through parasitic diseases.

Women should Insist

No matter what you buy in kitchen utensils, demand that each article carry the SMP trade-mark shown below. SMP Enameled Ware is safe to use; acids or alkalis will not affect it; it cannot absorb odors; cleans like china; wears for years. Tell the storekeeper you want either

SMP Diamond or Pearl WARE

Diamond Ware is a three-coated enameled steel, sky blue and white outside with a snowy white lining. Pearl Ware is enameled steel with two coats of pearl grey enamel inside and out.
