singers and are in juxtaposition to the pipe organ which is presided over

13 ated by a water motor, which is one of the finest in the entire northwest and is under the jurisdiction of Mr. 8 Ernest Searcile. St. Andrew's is the 17 only church in Dawson possessing the 9 regulation pews and resting on a floor that is gradually elevated as the rear of the church is approached. The church to be viewed at its best advantage must be seen in the sum mer time when it is surrounded by a lawn as soft and velvety and perfect as could be desired, and to no one does it so appeal as to the old timer. Lawns are not indigenous to the Yukon and to the old resident of the territory a plot of freshly clipped green grass is as refreshing as is a draught of cold water to one perishing with thirst. St. Andrew's is under the charge of the Rev. Dr. Grant, a learned and affable gentle-Bonanza (Grand Forks)-Miss J. man who has accomplished much for

Bonanza, 30 below-Miss McLellan his church. The improvements made this mer by the Methodists have been confined to the building of a handsome parsonage facing Fifth avenue and on the rear of the church lot. The Whitehorse has a splendid school
