ADIES' DRESS GOODS

These are important needs (not forgetting lesser ones) and our customers can depend on our ability to meet them with tempting values and undervalues, which will repay them (for braving the mud and rain) stocking yourselves up for the winter with real money savers. What a pleasant surprise to find that a 5 or 10 dollar bill will provide you with a good Coat and Dress instead of spending it for only one garment. We surprise our friends continually after this fashion, COME AND SEE.

We shall not in this issue crowd our space with a price list, we prefer seeing you per sonally and frequently. Printers' ink is very good as far as it goes, but a personal visit and inspection of the goods you

need and we offer at present prices, goes much further. We are closing the best year of the Gordon Store thus far and intend the last two months shall surpass the same months a year ago.-Why not? You have the money and need the goods, while we have the goods and need the money-Reciprosity will be a mutual benefit.

The Sons of Scotland intend having their St. Andrew's anniversary concert on the evening of Tuesday, the 28th of November. It is needless to say it will be up to the highest standard, as anything of the kind given by our Scotch friends has always pleased and delighted their patrons. H. F. Anderson, who has won for himself the title of the "Canadian Frame," will make his first bow to a Chatham audience, in his highly amusing character impersonations. The Toronto press praise his talent in the most laudatory terms. J. H. Cameron, the well-known humorous entertainer, will assist in promoting the delightful character of the entertainment. Pipe Major Beaton, of the 48th Highlanders, will claim the musical ear of the audience with the sweet, deep notes of the Highland pipes, while Mrs. Flora Mcivor Craig and George W. Grant will render the sweet songs of Bonnie Scotland. Many times has this statement been published. But if Niagara has claimed its thousands, neglected coughs and colds have claimed their teas of thousands. You can't stop the Falls, but you can stop the cough or cold in two days by taking a 25c. bottle of Four T's, the great guaranteed cough and cold cure. Sold at Central Drug Store.
