Mrs. Hutchinson has carpenters at work making a number of changes in the interior of her building lately vacated by the telephone exchange.

The telephone exchange has been removed to its new quarters on Linden avenue, where Miss Wagner and her staff are most conveniently and comfortably located.

The Bohemian Girl at College Hall to-night promises to be the event of concert season. Under no consideration should any one miss it. Tickets at Rand's drug store.

Nine of Mr. Emery's vocal pupils will give a recital in Berwick the last of next month, and a recital by some of his pianoforte pupils is being planned for sometime in January.

Prof. F. A. Waugh and Prof. F. C. Sears of the Massachusetts Agricultural College at Amherst, will attend the meeting of the Fruit Growers' Association at Berwick on Dec. 18th.

Christmas Gifts at The Exchange.—Embroidered and Hand-drawn Linens, Handkerchiefs, Stocks, Baskets, Books, Calendars, Cards, Booklets, Tags and Seals. Stock is small, so make an early selection.

Yesterday was election day in Colchester. Latest returns to hand at the time THE ACADIAN went to press last evening would indicate the election of Stanfield the Conservative candidate by a good majority.

An unusually heavy pressure has been made upon our adv. space this week. This will likely continue until after the Christmas season. Those who wish to engage space should therefore make application at once.

An invitation musicale, to be given by the juvenile pupils of Mr. and Mrs. Emery, will be given at their home Dec. 13th. A programme of piano solos and songs—some of them pertaining to Xmas—has been carefully arranged.

The first meeting of the Browning Club took place on Nov. 18th, at the residence of the Rev. David Wright. The next meeting will be with Mrs. W. H. Chase on Monday, Dec. 2nd, when the study of Paracelsus will be taken up.

The Port Williams dyke road is said to be in a worse condition than usual this fall. The government spent a large sum on this road a good many years ago, but it has since received very little attention. It now needs speedy repairs.

The Acadia Athenaeum for November has been received. It is well gotten up and interesting, and very creditable to the new staff. A large part of the space is devoted to appreciative articles upon the life of the late Rev. Dr. Sawyer, by different writers.

The condition of Dr. DeWitt's health had improved sufficiently on Tuesday last to allow of his being taken to Montreal for treatment. He was accompanied by Mrs. DeWitt. We sincerely trust the journey may result in his full restoration to health.

The ladies of the Labrador Mission will hold a ten cent social at the home of Mrs. R. Chisholm on Tuesday evening of next week at 7.30 o'clock. At 8.30 a program will be given which will include a chorus, piano duet, reading, quartette, dialogues and vocal duet.

Our contemporary, the Annapolis Spectator, has changed hands. Mr. T. M. Seeley, editor of the Yarmouth Light since its inception, has purchased the paper and plant and expects to get out his first issue to-day. Mr. Seeley is a journalist of exceptional ability and we feel sure will make the Spectator a power in newspaperdom. We wish him much success.

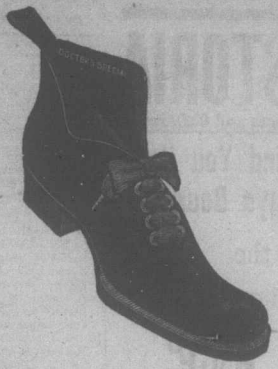

Five room tenement to let. Apply to E. B. SHAW, Wolfville.

Miss Marie Herites, the Bohemian Violinist, who appears in College Hall this (Friday) evening, arrived on Thursday a. m., and is the guest of Mr. C. R. H. Starr. Miss Herites has been a pupil of Sevek the great teacher of violin since she was twelve years of age. No more accomplished violinist will, it is probable, ever appear in Wolfville.

The violin which Miss Herites will use was procured by her at a cost of \$700. With it she made her debut at Prague. It is an old Cremona of the 16th century.

Miss Herites will play, among other numbers, Concerto D. Minor, No. 4, by Vieuxtemps and Rondo Capriccioso by Saint Saens.

Prof. J. Christian Ringwald will accompany Miss Herites, while the interest of what will be the greatest musical event of this year, will be brightened by solos by Miss Peterson and Mr. Ringwald.

Canning Items.

The sudden death of Mr. William Fellows, hardware merchant, which occurred on Tuesday of last week from heart failure, was a great shock to the entire community. The funeral was on Thursday afternoon and was very largely attended, as he was a man who had the esteem of all, and was a great favorite with the children of the town.

A very impressive temperance sermon was preached by Rev. Joseph Sellar in the Methodist church on Sunday morning to a large congregation. Dr. Covert and Willard Halsey were the two successful candidates for county councillors in the election held on Tuesday of last week.

The pulpit of the Methodist church was occupied on Sunday, the seventeenth instant, by Rev. Harry Burgess who delivered two very interesting sermons. On Monday evening following he gave a lecture on 'Around the Empire with our soldier preacher' illustrated with stereopticon views to a good house.

Thirteen persons have recently been added to the membership of Canning Division.

A temperance lecture well worth hearing, illustrated with stereopticon views, was given by Rev. H. R. Grant, of Pictou, on Tuesday evening in the Baptist church, under the auspices of the Kings County Temperance Alliance. This was followed by a short address from E. B. Newcombe, of Kentville, president of the Alliance, setting forth the aims and purposes of the society.

FITCH—FORREST.

The Rev. Dr. Chute, of Acadia University, officiated at a marriage yesterday afternoon in which great interest was felt, both here and in Wolfville. The principals in the ceremony were Marion Alice, eldest daughter of the late S. S. Forrest, and one of our most charming girls, and Charles S. Fitch, of Wolfville. Both enjoy exceptional popularity.

The marriage took place at 31 Tobin street, the residence of the bride's mother, and was followed by a reception for which 100 invitations were issued.

The bridal party stood in a literal bower of green palms and ferns, the plants being placed in the big bow window at the south end of the room.

An aisle extending from this arching green to the door by which the bridal party entered, was formed of ribbons which were upheld by four very engaging small persons, all of whom wore white frocks. They were little Misses Eva Mader, Jean Murray, Vera and Helen Barastad.

Miss Forrest was given away by her brother-in-law, H. L. Dennison, K. C., of Digby, and was attended by Miss Margaret Forrest as bridesmaid. A. S. Forrest, brother of the bride, was best man.

The bride's gown was of embroidered net and baby lace over white Liberty silk. She wore the conventional veil and orange blossoms and carried a shower bouquet of white chrysanthemums.

The bridesmaid's gown was of pale pink silk, with trimmings of Venetian point, and her bouquet was of pink carnations.

The bride's going-away gown was brown broadcloth with milk hat. The collection of wedding gifts is as remarkable for beauty as extent, and includes silver, cut glass and fine china in variety.

The groom's gift to the bride was a pearl sunburst, to the bridesmaid a gold bracelet, to the little ribbon holders gold pins and to the best man a gold cravat pin.

The many friends of the bride and groom regret that their future home will not be in this city. —Halifax Herald of 27th.

[THE ACADIAN and a host of other Wolfville friends unite in wishing Mr. and Mrs. Fitch much happiness and prosperity.]

Good Blood for Bad.

THAT IS WHAT DR. WILLIAMS' PINK PILLS FOR PALE PEOPLE ALWAYS GIVE — THEY NEVER FAIL.

Good blood is the one thing necessary for perfect health. If the blood is good disease cannot exist—if it is bad disease is bound to appear. There are dozens of maladies caused by bad blood. Among them are anemia, rheumatism, heart palpitation, headaches and backaches, indigestion and the special ailments of women and growing girls. If you suffer from any of these troubles, Dr. Williams' Pink Pills will cure you—because they make new, red, healthy blood. They succeed where doctors sometimes fail. In proof of this Mrs. Sarah Jane Duce, Deseronto, Ont., says: 'In 1905 I became weak and sickly. I was all run down; I found housework a burden—sometimes I could not do it at all; the least effort made me tired. I consulted a doctor who told me he might help me some but could not cure me permanently on account of my age. I am over fifty. His treatment did not help me and I gradually grew worse; even my friends began to despair. Four different doctors told me my case was hopeless. My suffering was intense. Sores broke out around my mouth and I was unable to eat. I consulted a specialist who told me my trouble was anemia and that he had little hope for my recovery. I was in despair and decided it was useless to spend any more money on doctors. One day my husband urged me to try Dr. Williams' Pink Pills. After a few weeks use of the Pills I was convinced that I had found the right medicine. I took twelve boxes and they completely cured me, and I am now in excellent health. I gladly recommend them to all sufferers, for they cured me when doctors had failed, and my friends were expecting death to end my suffering.'

Unless the full name, 'Dr. Williams' Pink Pills for Pale People,' is printed on the wrapper around each box don't take them—any other so-called pink pills is a fraud intended to deceive you and may do you harm. If your medicine dealer has not got the genuine Dr. Williams' Pink Pills for Pale People they will be sent to you direct at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

At Waterville, on Wednesday evening, the marriage took place at the residence of R. D. Lyons of his daughter, Miss L. Gladys Lyons and C. B. Cameron. The ceremony was preformed by Rev. Mr. Higgins. Mr. and Mrs. Cameron are spending their honeymoon in Halifax.

A Reliable Remedy for Croup. Mrs. S. Rosenthal, of Turner, Michigan, says: 'We have used Chamberlain's Cough Medicine for ourselves and children for several years, and like it very much. I think it is the only remedy for croup and can highly recommend it.' For sale at Rand's Drug Store.

To Keep the Skin in Health

It is quite possible that, while you know of Dr. Chase's Ointment as a cure for eczema, psoriasis and the most severe forms of itching skin disease, you may have overlooked its value as a beautifier of the skin.

There are minor forms of skin trouble such as rough skin, red skin, chapping, pimples, blackheads, blotches, irritation, or poisoning from the clothing, etc., which disfigure and form a starting point for serious disease. A few applications of Dr. Chase's Ointment at such times not only remove these blemishes, but also restore the health and beauty of the skin, and positively prevent further development.

Dr. Chase's Ointment is delightfully pure and creamy, is pleasant to use, and is readily absorbed. It acts as a food for the skin, making it soft, smooth and velvety. By its soothing, antiseptic and healing properties it allays inflammation, relieves itching, and heals sores, wounds, and ulcers; 60 cents a box, at all dealers, or Edmanston, Bates & Co., Toronto.
