Another Wolfville Hero.

Wolfville was saddened again on Saturday last when the news came that Sgt. Clifford Webster had been killed in action on Sept. 29th. Coming so soon after the news of the death of Fred Abbott the intelligence caused a gloom over the town.

The boys were close friends and served together in many battles in the same battalion. At the time of his enlistment Sgt. Webster was and had been for some time, an official in the Wolfville post office and was deservedly popular. His grand mother, Mrs. George Webster, with whom he made his home, and to whom he was all that a son could be, has the sincere sympathy of the town at large.

Important Notice.

There will be a meeting of the members of the Men's Class, which until the end of 1915 met in the Baptist church, in the office of Dr. McKenna, Friday evening, October 18 1918 at 7:30 o'clock. The disposition of the funds now remaining in the hands of the Treasurer will be considered. It is hoped that as large a number of members as possible may be present.

MARRIED.

An Interesting Wedding.

On the evening of October fourth by the pastor, Rev. Mr. Riley, in the First Baptist church, Minneapolis, Minnesota, Miss Alexandra Bowers Shantz, graduate of Regina City Hospital, and youngest daughter of Peter Erb Shantz, Esq., of Preston, Ontario, late member for that Province, was united in marriage with Lieutenant Leon Archibald, A. B. S. C. E., late of the British Royal Engineers, Black Watch Regiment, and son of Mrs. Rachel deWolf Archibald, of Wolfville, Nova Scotia.

The church was most tastefully decorated with astors and autumn leaves. The bride, gowned in rainbow tinted lavender tulle with silver trimmings and hat to match, and wearing a corsage of white and yellow geranium and yellow sweetheart roses, was attended by her sister, Miss M. Shantz, of Regina, who wore blue and gray georgette crepe, embroidered, and carried a bouquet of pink roses. Doctor Ida Adams Mackenzie, of Minneapolis, in navy blue georgette over silver, with diamond ornaments, was matron of honour.

Lieut. and Mrs. Archibald have taken up their residence at 277 1/2 Fourth street, S. B. Minneapolis, near the University of Minnesota, where Lieut. Archibald is engaged on the faculty of Civil Engineering.

His record overseas, his recent invention which is receiving attention at Washington, and his literary achievements since his return home, augur a brilliant future for this son of Canada. THE ACADIAN, with host of other Wolfville friends, extend best wishes.

Helping Nature, the Key to Good Health

Watch for these Symptoms

Kidney or Bladder affections don't develop seriously until Nature has given you plenty of warning that the trouble has commenced.

Constant headaches, dizziness, pains in the back or sides, swollen joints, and uric acid, brick dust deposits, or painful urination should make you realize positively and beyond doubt that your kidneys are out of order and need assistance.

Nature is wise and never sends out unnecessary or foolish warnings. Her call is for help, and you must do your part by bringing relief to those overburdened kidneys, or suffer the consequences.

Rheumatism, Lumbago, Sciatica, neuralgia, Stomach in the Bladder, Neuritis, etc., are all caused by inflamed, congested kidneys and the consequent deranged kidney action. Don't let the agonies produced by these cases—Doctor Ida Adams Mackenzie—to heal those inflamed kidneys and to make them strong once more—by taking GIN PILLS.

GIN PILLS are the best remedy for Kidney and Bladder troubles on the planet today—this is a fact proven by the many who have tried them. They give instant relief. For sale everywhere at 50c a box. A sample will be free if you write to—

Knitting Contest.

The knitting contest held in the vestry of the Presbyterian church last Thursday evening proved most interesting and enjoyable, so much so that it has been requested that the evening be repeated. The prizes were awarded to Mrs. Pauline, of Greenwich, for rapidity and to Mrs. D. Thomson for quality of knitting.

The boys overseas are to enjoy the fruits of their labors in the form of hard centre chocolates which constituted the prizes. The program consisted of several interesting numbers including a vocal solo by Miss M. Wilson, a piano solo by Miss Fraser and a piano solo by Mr. H. Davidson
