

Greenwich

Still there is changing of families in our community. Recently Mr. Blake Wellener and family moved to Aylesford, where he will be in charge of the new Evaporator. They were accompanied by his mother, Mrs. Eliza Wellener, who will be much missed in this community.

Mr. Lee Bishop and wife have moved into the cottage on "Aliler Avenue", vacated by Mr. Wellener.

Mrs. Lee Bishop spent the Thanksgiving holidays in Windsor, visiting her sisters, Mrs. Harry Bishop and Mrs. Ira Lohnes.

Our church was nicely decorated with flowers, vegetables and fruit, for the Thanksgiving service. As usual, the useful decorations were taken to Wolfville to our pastor.

Miss Vera Powell, the telegrapher at our station, spent the Thanksgiving holidays at her home at Mount Uniacke, Hants county.

Mrs. McNeil, of Digby, was recently the guest for several days of Mrs. Fred Forsyth.

Mr. and Mrs. Stevens and little son Chester, late of Brooklyn, New York, are visiting at the home of Mrs. Stevens' parents, Mr. and Mrs. Lewis Forsythe.

Mrs. J. L. Reid, of Belcher Street, and Miss Edith Reid, were recent guests of Miss Lillian Bishop.

Little Miss Charlotte Cobb, who spent several weeks here at the home of her Aunt, Mrs. Burpee Bishop, recently returned to her home at Bedford. She was accompanied home by Mrs. Bishop, who spent the week-end at the home of her brother, Mr. Andrew Cobb.

Messrs. Philip, Robert and Maurice Bishop were "At Home" to their friends last Thursday evening, from 7.30 to 10 o'clock. A very pleasant evening was enjoyed by those present.

A number of the housewives "made a rummage" in their homes as requested, and thus succeeded in helping with the "Rummage Sale" held in Wolfville last Friday and Saturday by the G. O. D. E. (Sir Robert Borden Chapter) ladies, in aid of the County Memorial Hospital.

A number of the delegates in attendance at B. W. M. U. of the Maritime Provinces, held at Wolfville, Oct. 14th to 16th, were entertained at several homes in this place.

Mrs. Ray Fraser, of Port Williams, and two little sons, are spending a few weeks at the home of her parents, Mr. and Mrs. G. Fraser, while their new home is being prepared at Port Williams.

Miss Forsythe, our school teacher, spent last Thursday evening at an enjoyable "candy-pull" in New Minas.

We hear that a number of our residents who had met at recently, held an interesting discussion or debate on whether right or wrong to gather crops on Sunday. Question—Who won?

WANTED.—Men for the lumber woods at Stillwater, Hants county. Apply to foreman at camp or to me at Windsor.

New Evaporator at Aylesford

All Spent In Canada

Every dollar of Victory Loan of last year was spent in Canada; practically every cent that has this year been paid in interest on that great borrowing has remained in Canada. And yet Great Britain and her Allies owe Canada more than one-third of the amount raised. In round figures that sum was \$610,000,000; many millions less than was subscribed, because the government declined to allot to financial houses the whole amount of the subscriptions they rushed to make, owing to the favorable terms. More than \$207,000,000 of this sum was advanced to enable the Allies to buy our farm products. It has been the policy of the government in connection with its Victory Loans, floated at a high rate of interest, to give the small or moderate purchaser the benefit of these terms; and this purchaser will reap the benefit of future premiums on the bonds. It has also been the policy to spend the principal in Canada, not only in the great and imperative task of re-establishing the soldier in civil life, but in preserving and greatly extending Canada's market for natural products abroad. In benefitting the farmer, the loan benefits all, who sell to the farmer. The same policy will prevail in connection with the 1919 Victory Loan and the purchaser of bonds this year will furnish the sinews by which this system of national and mutual benefits can be carried on.

for Feeble-minded Children. By D. Brepon on the small house at present established on the grounds of the industrial School of which she is Superintendent. Miss Lawrence, Halifax, (formerly of Grand Pre) on her work as teacher in the Halifax Schools, of a class of 23 who are mentally deficient. (Continued from Page 1)

Miss Strathard, superintendent of the Maritime Home for Girls, was most interesting in her talk on the good work that is being done there. The last speaker was Mr. Crowell, Halifax, on the Old Home Week. The speaker was very carefully followed as he mapped out his plans.
