

Is saved from the fatal consequences that would in all probability have resulted from their hair brained project.

The Shah Required at Home.

A communication from Teheran, dated the 5th August, in the Independence Belge, says—"The condition of home affairs in Persia is extremely critical, and the time has more than come for his Majesty to return from his travels, so as to reestablish a little order.

A Dreadful Voyage.

The American mail steamer Hammonia which has just arrived at Plymouth, reports having on the 24th of August, encountered in latitude 42 30 north, longitude 56 west, a tremendous hurricane.

The Earthquakes in England.

Mr. Lowe, of Highfield House Observatory, near Nottingham, writes under date of Friday:—Two smart shocks of earthquake occurred here this morning at 6h. 50m. 40sec.

HARBOR GRACE, OCT. 11, 1873.

THE American Mails, per "Nestorian," arrived at St. John's on Thursday.

THE approaching General Elections continue to engage public attention, and the people of this district manifest no little interest in the matter of selecting men to represent the constituency in the next parliament.

they can repose the utmost confidence. It is a fact, of which we are justly proud, that the people of the district, especially the residents of Harbor Grace, are determined to take a bold and determined stand in the exercise of their privilege as voters.

The people of this district know the men in whom they can trust, and such they are willing to make the guardians of their interests. They will no longer allow themselves to be cajoled by blockheads and plundered by adventurers.

FIRE.—About half past three o'clock yesterday afternoon our usually quiet little town was thrown into a state of intense excitement by the dreadful alarm of fire.

SEVERAL of our Labrador vessels have returned from the scene of their summer's avocation, and others are expected daily.

THE new Grocery Store of Messrs. Jillard Brothers was opened for the first time on Thursday evening, and is now completely filled with a delightful assortment of the choicest groceries.

WE are happy to be able to gratify the numerous friends and patrons of the old firm of Messrs. Rutherford Brothers with cheering information concerning the wonderful events which have recently transpired in connection with the new firm.

By AUTHORITY.—His Excellency the Governor has been pleased to appoint Thomas J. Kough, Esq., (Barrister-at Law) to be acting Chief Clerk and Registrar of the Central Circuit Court.

His Excellency in Council has also been pleased to appoint Captain James Walsh to be an additional Commissioner of the Breakwater at Brigus.

The probate duty on the estates of the late Lord Wolverton will be about £14,000.

The Sultan of Turkey has sent to Prince Bismark the collar of the Osmanli, together with the star of the Order, set in brilliants.

A "Times" Calcutta telegram says that the Murrees attacked the Khelat troops near Bagh, captured two guns and retired successfully to their hills.

Latest Despatches.

LONDON, Oct. 6.—The "Observer" states that 350 Deputies of the assembly will pledge themselves to support Motier to restore monarchy.

The Right at a meeting to-day appointed a committee to build a platform on which all sections can unite.

The Carlists declined a battle offered by Gen. Moriones before Estella, and evacuated that place, which was at once occupied by Government troops.

The British squadron arrived at Valencia. The siege of Cartagena is proceeding actively.

NEW YORK, 6.—The change gauge of the Grand Trunk Railroad was completed on Saturday.

The Graphic balloon went up at 9.30 this morning, and was last seen going north-east.

The Toronto "Globe" publishes a "Pall Mall Gazette" cable telegram one column in length, condemning the Dominion Government.

LONDON, 7.—Sir George Rawlinson in a speech at Birmingham expressed a hope that England would complete the "Polaris" investigation.

Bazaine's trial has commenced. A male privately stated that he would be condemned to death and pardoned.

Broglie, at a banquet said, clerical domination impossible.

At a meeting of the Right it was decided in the event of a change of government at the opening of the Assembly a cabinet be formed with the Duke De Cazis, Minister of Foreign Affairs, and Changarnier, Minister of War.
