THE METHODIST CONFERENCE.

and congratulating the institute on the Revs. Jos. Sellar and Mr. Bell are from very large number in attendance. In the North Shore, and they have been answer to numerous inquiries regarding recently attending the conference of the eligibility for membership, he stated that Methodist church of New Brunswick the executive had had the matter under and Prince Edward Island at Moncton. careful consideration, and had decided While there the thought struck them, that any teacher who had paid the anincidentally of course, that it would be a nual fee at a county institute would be fine idea, and one which would contribute eligible for membership here. In the to their own personal glorification, to absence of the assistant secretary Mr. have the conference pass judgment on the Trueman was appointed to that position. Bathurst school question. They knew A nominating committee for the election that the matter was at present under of officers was chosen, consisting of W.S. judicial consideration in the supreme Carter, James Barry, Geo. J. Oulton, Incourt of the province; they may, also, spector H. V. Bridges and W. T. Day. The with apparent good reason, have anticifollowing persons enrolled themselves as pated that the decision of the highest members of the institute : judicial court in the province would not very thoroughly establish the truth of the contentions of the protestant min-Lillie McKay ority at Bathurst, nor consign the Blair M D Sweeney government to that political disgrace and F L Dieuaide discredit which they so eagerly desire; WJS Miles and therefore, with all these weighty con-siderations to move them, they threw the John M Barry T S Chapman F O Sullivan whole force of their Brobdignagian in- P G McFarlane May Carter Carrie Everett tellects in the direction of a magnificent tellects in the direction of a magnitude coup d'etat, designed to settle the question once and for all, and overwhelm the arch-difference of the settle the question once and for all, and overwhelm the arch-difference of the settle the question difference of the settle the set Miss Waldron tude and disgrace. If they could only ob-Mr. Brittain G J Oulton W S Carter tain a public verdict from the clever and Inspector Bridges intelligent number of clergymen present, GS Mersereau Eldon Mullen in condemnation of the government's Geo U Hay R Steeves course with regard to this question, the **Minnie** Colpits supreme court would hardly dare to pub-lish a decision to the contrary. They ac-Hettie M Keast cordingly introduced a little resolution. R Willard Demi This resolution it is unnecessary to pub-Lizzie J Thomas lish here, as it will be found in full in Isabel Everett Marion H Palmer Marion J McLeod our news columns to-day, but it will suffice to say that it embodied Mary A McLeod in a crystalized form all the very Mary Johnson F P Yorston valuable historical statements and disin-Annie L Fleetwood Fred L Day terested suggestions which the Protestant John March Maggie C Sharp Bessie May Fraser minority at Bathurst have, for the past twelve months, been hurling broadcast at Alice M Rogers the government, both individually and the government, both individually and Alice Gibson collectively considered. That resolution Ena Gill didn't pass. Why? Because in the first place, there is a very grave doubt in the Mary E Brown minds of all intelligent people as to the Stella M Clayton alleged wickedness of the government in connection with the Bathurst school Lizzie Gilmore Thos Stothart, Thomas Owens question ; because in the second place the Sarah G Duffy Mary K Tibbitts Murray C W Nevers Mary F Cordy Annie W Power are no less intelligent than their fellows; S S Boyce Lizzie Kelso because, in the third place the leaders Georgie Good among that clever body have too much Emma Robertson Maggie McMillan Maggie Sweeney Mabel C Hunter Isabel Jordan good sense to make fools of themselves by anticipating the judicial decision of the M M Naraway supreme court of New Brunswick; and lastly, because Mr. Sellar and his zealous Herbert B Steeves Geo F Bates J W Richardson W M McDonald co-laborer didn't secure enough votes to G Talbet Morten give the resolution a majority. C H Perry A Galbraith That is the simple explanation of the Mina L Fisher Mary E Nicholson Carrie E Burt failure of this gigantic piece of ministerial strategy; that is why the matter is still A C M Lawson at large. And, on the whole, the general Lizzie Corbitt Minnie M Frost public feel that the Methodist conference Minnie A Allen Mary A Reid Marion Gough has done wisely, and are content, with Marion Gough Ella K Moore them, to await the final decision of the Nellie M Taylor Mary H Mitchell able and impartial judge who has the Charlotte Crossn Bessie L Colter Maggie M Colter Phoebe Vanwart question under his consideration. Eme Jessie M Purdy Mary J Doherty Helen F Hoben Kate McCann To-DAY, Saturday, the amendments to the petroleum inspection act take effect. Helen Find There are eight points in New Bruns- Alice V Wilson wick, seven in Nova Scotia, thirty in On- | Tilly Shaw Emery J Thompson Edith McBeth tario, thirteen in Quebec, twenty-five in Manitoba and the territories, and three CJ Morrison in British Columbia at which petroleum Annie C Doak for illuminating purposes may be ad-mitted in tank cars.
